If you added or swapped to an ingredient listed here, scan the QR code for **CustomPlate** instructions to get all the info you'll need.

Chicken Cutlets *
(10 oz | 20 oz)
Calories: 710

Ranch Steak *
(10 oz | 20 oz)
Calories: 700

WHAT YOU'LL NEED

Kosher Salt
Black Pepper

Butter
Contains: Milk

Flour
Contains: Wheat

Milk
Contains: Milk

Cooking Oil

MORE IS MORE

If you upgraded your meal to double your protein or veggies and/or ordered 6 servings, you may need to cook in batches or larger cooking vessels. Remember: Larger batches may = longer cook times, so follow the visual and temperature cues. (For 6-person meals, combine the 2- and 4-serving ingredient amounts as needed.) For CustomPlate nutritional information, please refer to EveryPlate.com.

1.

Preheat oven to 425 degrees. **Wash and dry produce.** Cut **broccoli** into bite-size pieces if necessary. Cut **potatoes** into ½-inch pieces. Halve, peel, and thinly slice **half the onion** (whole onion for 4 servings). Peel and finely chop **garlic**.

3.

Meanwhile, place **potatoes** in a medium pot with enough **salted water to cover by 2 inches**. Bring to a boil and cook until tender, 10–12 minutes. Drain potatoes and return to pot.

5.

Melt **2 TBSP butter** (4 TBSP for 4 servings) in pan used for pork over medium heat. Add **sliced onion** and **¼ tsp dried thyme** (½ tsp for 4); cook, stirring occasionally, until softened, 4–5 minutes. Add **chopped garlic** and **1 TBSP flour** (2 TBSP for 4); stir until onion is coated and flour starts to turn golden, 2–3 minutes. Gradually stir in **½ cup water** (1 cup for 4) until combined. Stir in **stock concentrates**. Return **pork** to the pan; turn to coat.

↔ Use pan used for steak or chicken here.

*Pork is fully cooked when internal temperature reaches 145°.
*Poultry is fully cooked when internal temperature reaches 165°.
*Beef is fully cooked when internal temperature reaches 145°.

2.

Toss **broccoli** on a baking sheet with a **drizzle of oil**, **salt**, and **pepper**. Roast until browned and tender, 15–20 minutes.

4.

While potatoes cook, pat **pork** dry with paper towels; season all over with **garlic powder**, **salt**, and **pepper**. Place **¼ cup flour** (½ cup for 4 servings) in a shallow dish. Press pork into flour, turning to lightly coat all over. Heat a **large drizzle of oil** in a large pan over medium-high heat. Add pork and cook until browned and cooked through, 4–6 minutes per side (reduce heat if pork begins to brown too quickly). Turn off heat; transfer to a plate. Wipe out pan.

↔ If using **steak**, skip flouring step. Swap in steak or **chicken** for pork; cook steak to desired doneness or cook chicken until browned and cooked through, 3–5 minutes per side.

6.

Mash **potatoes** with **sour cream**, **¼ cup milk**, and **1 TBSP butter** (½ cup milk and 2 TBSP butter for 4 servings) until smooth. Taste and season generously with **salt** and **pepper**. Divide **pork**, **mashed potatoes**, and **broccoli** between plates. Spoon any **remaining gravy** over pork.
