Cooking Oil

You may notice that we pretty much always ask you to reserve a bit of pasta cooking water. Wondering what makes this cloudy water so darn special? It's salty and starchy, and those magical starches help make your sauce silky smooth. Basically, it makes good pasta great, and we'd never leave you with a bowl full of just *good*.

MORE IS MORE

If you upgraded your meal to double your protein or veggies and/or ordered 6 servings, you may need to cook in batches or larger cooking vessels. Remember: Larger batches may = longer cook times, so follow the visual and temperature cues. (For 6-person meals, combine the 2- and 4-serving ingredient amounts as needed.) For CustomPlate nutritional information, please refer to EveryPlate.com.

1.

Adjust rack to top position and preheat oven to 425 degrees. Bring a large pot of **salted water** to a boil. Place **1 TBSP butter**, **½ tsp Italian Seasoning**, and **¼ tsp garlic powder** in a small microwave-safe bowl (**2 TBSP butter**, **1 tsp Italian Seasoning**, and **½ tsp garlic powder for 4 servings**). Set aside and bring butter to room temperature until ready to use in Step 5.

3.

Remove **sausage** from casing if necessary; discard casing. Heat a **drizzle of oil** in a large pan over medium-high heat. Add sausage, **zucchini**, **remaining Italian Seasoning**, and **remaining garlic powder**; season with **salt** and **pepper**. Cook, breaking up meat into pieces, until sausage is browned and cooked through and zucchini is tender, 4–7 minutes. Add **1 TBSP plain butter** and **2 tsp flour** to pan with **sausage mixture** (**2 TBSP plain butter and 4 tsp flour for 4 servings**); cook, stirring, until butter has melted and flour is evenly distributed, 1–2 minutes.

Rinse **shrimp** under cold water; pat dry with paper towels. Add **zucchini** to pan as instructed (without sausage); cook for 3 minutes. Swap in shrimp (no need to break up into pieces!) or **chicken sausage** for pork sausage; cook, stirring frequently, until cooked through, 4–6 minutes. Cook through rest of step as instructed.

5.

To bowl with softened butter and seasonings, add a **pinch of salt and pepper**. Stir to combine (**if butter has not yet softened, microwave for 5–10 seconds**). Halve **ciabatta** and spread cut sides with **herb garlic butter**. Place on a baking sheet, cut sides up, and toast on top rack until golden brown, 3–5 minutes. Transfer to a cutting board and halve on a diagonal.

*Ground Meat is fully cooked when internal temperature reaches 160°.
*Ground Poultry is fully cooked when internal temperature reaches 165°.
*Shellfish is fully cooked when internal temperature reaches 145°.

2.

Wash and dry produce. Trim and halve **zucchini** lengthwise; slice crosswise into ½-inch-thick half-moons. Once water is boiling, add **pasta** to pot. Cook, stirring occasionally, until al dente, 9–11 minutes. Reserve **1 cup pasta cooking water**, then drain.

4.

Reduce heat to medium and stir in **cream cheese**, **stock concentrate**, **cream sauce base**, and ¼ cup reserved **pasta cooking water** (**½ cup for 4 servings**); season with **salt** and **pepper**. (**Add a pinch of chili flakes from your pantry here if you like things spicy!**) Cook, stirring, until slightly thickened, 1–2 minutes more. Add **drained pasta** and toss until thoroughly coated. (**If sauce seems too thick, stir in more reserved pasta cooking water a splash at a time until pasta is coated in a creamy sauce.**) Taste and season with **salt**.

6.

Divide **pasta** between bowls. Serve with **herb garlic bread** on the side.
