MORE IS MORE

If you upgraded your meal to double your protein or veggies and/or ordered 6 servings, you may need to cook in batches or larger cooking vessels. Remember: Larger batches may = longer cook times, so follow the visual and temperature cues. (For 6-person meals, combine the 2- and 4-serving ingredient amounts as needed.) For CustomPlate nutritional information, please refer to EveryPlate.com.

1.

Adjust rack to middle position and preheat oven to 425 degrees. **Wash and dry produce.** Separate **broccoli florets** from stalk (**discard stalk**); roughly chop florets. Generously coat an 8-by-8-inch baking dish with **nonstick cooking spray** (**use a 9-by-13-inch baking dish for 8 servings**).

2.

In a large bowl, whisk together **cream sauce base**, **stock concentrates**, **mustard**, **cream cheese**, **three-quarters of the garlic powder**, **1½ cups water**, and **1 tsp salt** until mostly smooth (**2⅔ cups water and 2 tsp salt for 8 servings**). Transfer mixture to prepared baking dish. Add **rice**, **broccoli**, and **half the cheddar**; stir to combine.

3.

Pat **chicken** dry with paper towels and season all over with **salt** and **pepper**. Arrange chicken in a single layer over **rice mixture**. Cover baking dish tightly with foil, then place on top of a baking sheet. (**Placing a baking sheet under the dish will help protect against any of that deliciousness bubbling over into your oven as it bakes.**) Bake on middle rack until chicken is cooked through and rice is tender, 45 minutes (**60 minutes for 8 servings**).

4.

While casserole bakes, place **2 TBSP butter** (**4 TBSP for 8 servings**) in a medium microwave-safe bowl. Microwave in 10-second intervals until melted. Add **panko**, **remaining cheddar**, **remaining garlic powder**, and a **big pinch of salt and pepper** to bowl; stir to combine.

5.

Once **casserole** has baked 45 minutes (**60 minutes for 8 servings**), carefully remove foil. Transfer **baked chicken** to a cutting board. Using 2 forks, shred chicken into bite-size pieces. Return shredded chicken to casserole, then add **2 TBSP butter** (**4 TBSP for 8**); stir to combine. Taste and season with **salt** and **pepper** if desired.

6.

Sprinkle **cheesy panko mixture** over **casserole**. Return to oven, uncovered, and bake until casserole is bubbling and panko topping is golden brown, 7-10 minutes more. Allow casserole to rest at least 5 minutes. Divide casserole between plates or serve family style directly from baking dish.
