Want to nail the perfect pot of rice? Once the water boils, immediately cover the pot with a tight-fitting lid and reduce the heat. Simmer until no water remains (resisting the urge to peek too often!). Finally, let the pot sit off heat while you finish cooking. This allows the moisture to redistribute, giving you tender, fluffy grains.

MORE IS MORE

If you upgraded your meal to double your protein or veggies and/or ordered 6 servings, you may need to cook in batches or larger cooking vessels. Remember: Larger batches may = longer cook times, so follow the visual and temperature cues. (For 6-person meals, combine the 2- and 4-serving ingredient amounts as needed.) For CustomPlate nutritional information, please refer to EveryPlate.com.

1.

In a small pot, combine **rice**, **1¼ cups water** (**2¼ cups for 4 servings**), and a **big pinch of salt**. Bring to a boil, then cover and reduce heat to low. Cook until rice is tender, 15–20 minutes. Keep covered off heat until ready to serve.

2.

While rice cooks, **wash and dry produce**. Trim and halve **cucumber** lengthwise; thinly slice crosswise into half-moons. Zest and quarter **lime** (**for 4 servings, zest one lime and quarter both**). Peel and finely chop **garlic**. Halve, peel, and cut **onion** into a medium dice. Trim, peel, and grate **carrot** on the largest holes of a box grater.

3.

In a medium bowl, combine **cucumber**, **¼ tsp sugar** (**½ tsp for 4 servings**), **juice from half the lime**, and a **pinch of salt**. In a small bowl, combine **2 TBSP mayonnaise** (**4 TBSP for 4**), a **squeeze of lime juice**, a **pinch of garlic**, and as much **Sriracha** as you like. Season with **salt** and **pepper**.

4.

Heat a **drizzle of oil** in a large pan over medium-high heat. Add **onion**; cook, stirring, until softened, 4–5 minutes. Add **beef**, **remaining garlic**, and **2 tsp sugar** (**4 tsp for 4 servings**). Cook, breaking up meat into pieces, until beef is browned and cooked through, 4–5 minutes. Stir in **ponzu**. Turn off heat; taste and season with **salt** and **pepper**.

Open package of **chicken** and drain off any excess liquid. Swap in chicken for beef (no need to break up meat into pieces!); cook until cooked through, 4–6 minutes.

5.

Fluff **rice** with a fork; stir in **lime zest** and **1 TBSP butter**. Divide rice between bowls. Top with **beef**, **grated carrot**, and **pickled cucumber** (**draining first**) in separate sections. Top with a **squeeze of lime juice** and drizzle beef with **Sriracha mayo**.

*Ground Meat is fully cooked when internal temperature reaches 160°.

*Poultry is fully cooked when internal temperature reaches 165°.
