MORE IS MORE

If you upgraded your meal to double your protein or veggies and/or ordered 6 servings, you may need to cook in batches or larger cooking vessels. Remember: Larger batches may = longer cook times, so follow the visual and temperature cues. (For 6-person meals, combine the 2- and 4-serving ingredient amounts as needed.) For CustomPlate nutritional information, please refer to EveryPlate.com.

1.

Bring a large pot of **salted water** to a boil. **Wash and dry produce.** Trim and discard bottom 1 inch from **asparagus**; cut crosswise into 1-inch pieces. Peel and thinly slice **garlic**. Finely chop **tomatoes**. Zest and quarter **lemon**.

2.

Once water is boiling, add **pasta** to pot. Cook, stirring occasionally, until al dente, 9–11 minutes. Reserve **1 cup pasta cooking water**, then drain.

While pasta cooks, **pat chicken or salmon dry** with paper towels; season with **salt and pepper**. Heat a **drizzle of oil** in a large, preferably nonstick, pan over medium-high heat. Add chicken or salmon to pan; cook chicken until browned and cooked through, 5–6 minutes per side, or cook salmon, skin sides down, until skin is crisp and fish is almost cooked through, 5–7 minutes. Flip and cook until fish is opaque and cooked through, 1–2 minutes more.

3.

Meanwhile, heat a **drizzle of oil** in a large pan over medium-high heat. Add **asparagus** and season with **salt and pepper**. Cook, stirring, until browned and tender, 4–6 minutes. Transfer to a plate. Remove pan from heat and let cool slightly.

Use pan used for chicken or salmon here.

4.

Once pan has cooled slightly, add **2 TBSP butter (4 TBSP for 4 servings)** and **garlic**; return to medium-high heat. Cook, stirring, until butter has melted and garlic is fragrant, 30 seconds. Add **tomatoes**, half the **Italian Seasoning (all for 4)**, **salt**, and **pepper**. Cook, stirring, until slightly softened, 2–3 minutes.

5.

Whisk **cream cheese**, **stock concentrate**, half the **Monterey Jack (save the rest for serving)**, and **¼ cup reserved pasta cooking water (½ cup for 4 servings)** into pan with **tomato mixture** until cheese melts. Bring to a simmer, then stir in **drained pasta**, **asparagus**, **lemon zest**, and a **squeeze of lemon juice**. (If necessary, add more pasta cooking water a splash at a time until everything is coated in a creamy sauce.) Season with **salt and pepper**.

*Fish is fully cooked when internal temperature reaches 145°.
*Poultry is fully cooked when internal temperature reaches 165°.

6.

Divide **pasta** between bowls and top with **remaining Monterey Jack**. Serve with **remaining lemon wedges** on the side.

Slice **chicken** crosswise (skip slicing salmon!). Serve chicken or salmon atop pasta.

Asparagus & Tomato Linguine
