MORE IS MORE

If you upgraded your meal to double your protein or veggies and/or ordered 6 servings, you may need to cook in batches or larger cooking vessels. Remember: Larger batches may = longer cook times, so follow the visual and temperature cues. (For 6-person meals, combine the 2- and 4-serving ingredient amounts as needed.) For CustomPlate nutritional information, please refer to EveryPlate.com.

1.

Adjust racks to top and middle positions and preheat oven to 425 degrees. **Wash and dry produce.** Cut **broccoli** into bite-size pieces. Halve, peel, and cut **onion** into ½-inch-thick wedges. Strip **thyme leaves** from stems; roughly chop leaves until you have 1 tsp (2 tsp for 4 servings). Reserve remaining whole sprigs for Step 4. Peel and finely chop **garlic**. Trim **green beans** if necessary.

2.

Toss **broccoli** and **onion** on a baking sheet with a **large drizzle of oil, chopped thyme, garlic, salt, and pepper**. Roast on top rack for 5 minutes. After 5 minutes, toss **green beans** on a separate baking sheet with a **drizzle of oil, salt, and pepper**. Roast on middle rack until broccoli and green beans are browned and tender, 12–15 minutes more.

3.

Meanwhile, pat **chicken** dry with paper towels and season with **salt** and **pepper**. Heat a **drizzle of oil** in a large pan over medium-high heat. Add chicken and cook until browned and cooked through, 5–6 minutes per side. (Lower heat if chicken begins to brown too quickly.) Turn off heat; transfer to a cutting board. Wipe out pan.

4.

Heat a **drizzle of oil** in pan used for chicken over medium heat. Add **stock concentrate, ¼ cup water (⅓ cup for 4 servings), and reserved whole thyme sprigs**. Bring to a simmer and cook until slightly thickened, 3–4 minutes. Turn off heat; stir in **jam** and **1 TBSP butter (2 TBSP for 4)** until combined. Discard thyme sprigs.

5.

Slice **chicken** crosswise; divide between plates along with **roasted veggies**. Top chicken with **pan sauce**.
