5.

CHEF'S TIP

PSA: Stew thickness is a personal choice! If you want yours thicker or thinner, simmer for a little more or a little less time (respectively) in Step 3. After all, you're the chef.

MORE IS MORE

If you upgraded your meal to double your protein or veggies and/or ordered 6 servings, you may need to cook in batches or larger cooking vessels. Remember: Larger batches may = longer cook times, so follow the visual and temperature cues. (For 6-person meals, combine the 2- and 4-serving ingredient amounts as needed.) For CustomPlate nutritional information, please refer to EveryPlate.com.

1.

Wash and dry produce. Halve, peel, and finely dice **onion**. Trim and thinly slice **scallions**, separating whites from greens. Peel and finely chop **garlic**. Dice **tomato**. Drain **beans**, reserving **liquid**.

Open package of **chicken** and drain off any excess liquid. Heat a **drizzle of oil** in a medium pot over medium-high heat. Add chicken; season with **salt** and **pepper**. Cook, stirring occasionally, until browned and cooked through, 4–6 minutes. Turn off heat; transfer to a bowl and keep warm. Wipe out pot.

Add **bacon** to a large dry pan in a single layer; heat over medium-high heat. Cook, turning occasionally, until crispy, 6–10 minutes. Turn off heat; transfer bacon to a paper-towel-lined plate. When cooled enough to handle, roughly chop.

3.

Stir **1 cup water** (**2 cups for 4 servings**) into pot with **bean mixture**; bring to boil, then reduce heat to low. Cook, stirring occasionally, until slightly reduced, 8–10 minutes. Season with $\frac{3}{4}$ tsp salt (**$1\frac{1}{2}$ tsp for 4**).

5.

Stir **half the cheese** and **remaining beans** into **stew**. Season with **salt** and **pepper** to taste. (If **stew is too thick**, add a **splash of water**.) Divide stew between bowls and top with remaining cheese and **scallion greens**. Serve **garlic toasts** on the side.

Stir **chicken** into **stew** along with **cheese** and **beans** or garnish soup with **chopped bacon**.

2.

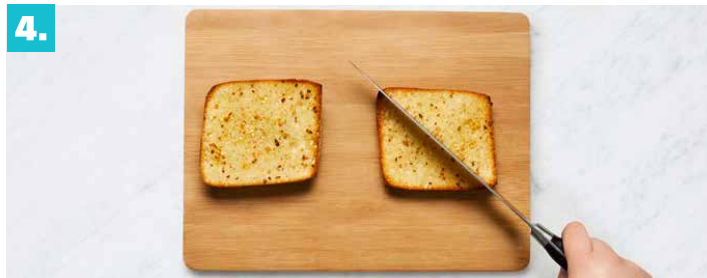

Heat a **drizzle of oil** in a medium pot over medium heat. Add **onion**, **scallion whites**, **half the garlic**, and a **pinch of salt**. Cook, stirring occasionally, until softened, 6–8 minutes. Add **tomato paste**; cook, stirring, until lightly browned, 1–2 minutes. Stir in **diced tomato**, **Italian Seasoning**, **stock concentrates**, **reserved bean liquid**, and **half the beans** (**you'll add the rest later**). Season generously with **salt** and **pepper**.

Use pot used for chicken here.

4.

While stew cooks, halve **ciabatta**. In a small microwave-safe bowl, add **1 TBSP butter** (**2 TBSP for 4 servings**) and a **pinch of garlic**. Microwave until butter is softened, 15–30 seconds. Season with **salt** and **pepper**; stir to combine. Toast ciabatta, then spread cut sides with **garlic butter**. Halve **toasts** on a diagonal to create triangles.

*Pork is fully cooked when internal temperature reaches 145°.
*Poultry is fully cooked when internal temperature reaches 165°.
