MORE IS MORE

If you upgraded your meal to double your protein or veggies and/or ordered 6 servings, you may need to cook in batches or larger cooking vessels. Remember: Larger batches may = longer cook times, so follow the visual and temperature cues. (For 6-person meals, combine the 2- and 4-serving ingredient amounts as needed.) For CustomPlate nutritional information, please refer to EveryPlate.com.

1.

Adjust rack to middle position (middle and top positions for 4 servings) and preheat oven to 425 degrees. Wash and dry produce. Pick cilantro leaves from stems; roughly tear leaves.

2.

In a small pot, combine rice, 1¼ cups water (2¼ cups for 4 servings), and a pinch of salt. Bring to a boil, then cover and reduce heat to low. Cook until rice is tender, 15–20 minutes. Keep covered off heat until ready to serve.

3.

While rice cooks, in a small bowl, combine 2 TBSP mayonnaise (4 TBSP for 4 servings) and as much Sriracha as you like. In a medium bowl, toss cauliflower with a drizzle of oil and sweet soy glaze until evenly coated. Spread cauliflower out on one side of a baking sheet (for 4, spread out across entire sheet). Roast on middle rack for 5–7 minutes (you'll add more to the sheet then).

4.

In a second small bowl, combine panko, half the sesame ginger crunch, and 1 TBSP oil (2 TBSP for 4 servings). Pat chicken dry with paper towels and season with salt and pepper. Evenly spread tops of chicken with 1 TBSP mayonnaise (2 TBSP for 4). Mound with panko mixture, pressing to adhere (no need to coat the undersides). Once cauliflower has roasted 5–7 minutes, remove sheet from oven and carefully place coated chicken on empty side of sheet; return to middle rack and bake until chicken is golden brown and cooked through and cauliflower is tender, 17–20 minutes more. (For 4, leave cauliflower roasting; add chicken to a second sheet and bake on top rack.)

Swap in steak for chicken.

5.

Fluff rice with a fork. Divide rice, chicken, and cauliflower between plates. Drizzle chicken with Sriracha mayo, garnish cauliflower with cilantro, and sprinkle rice with as much remaining sesame ginger crunch as you like.

*Poultry is fully cooked when internal temperature reaches 165°.
*Beef is fully cooked when internal temperature reaches 145°.
