MORE IS MORE

If you upgraded your meal to double your protein or veggies and/or ordered 6 servings, you may need to cook in batches or larger cooking vessels. Remember: Larger batches may = longer cook times, so follow the visual and temperature cues. (For 6-person meals, combine the 2- and 4-serving ingredient amounts as needed.) For CustomPlate nutritional information, please refer to EveryPlate.com.

1.

Adjust rack to top position and preheat oven to 425 degrees. **Wash and dry produce.** Dice **potatoes** into ½-inch pieces. Cut **broccoli** into bite-size pieces. Peel and finely chop **garlic**. Trim and thinly slice **scallions**, separating whites from greens.

2.

Place **potatoes** in a medium pot with enough **salted water** to cover by 2 inches. Bring to a boil and cook until tender, 10–12 minutes. Reserve ½ cup **potato cooking liquid**, then drain and return potatoes to pot. Mash with **sour cream** and 1 TBSP **butter** (2 TBSP for 4 servings) until smooth and creamy, adding splashes of reserved potato cooking liquid as needed (we used ¼ cup; ½ cup for 4). Season with **plenty of salt and pepper**.

3.

While potatoes cook, toss **broccoli** on a baking sheet with a **drizzle of oil**, **salt**, and **pepper**. Roast on top rack until tender and crisped at the edges, 15–20 minutes.

4.

Meanwhile, pat **pork** dry with paper towels; season all over with **paprika** (reserve a pinch for Step 5), **salt**, and **pepper**. Heat a **drizzle of oil** in a large pan over medium-high heat. Add pork and cook until browned and cooked through, 4–5 minutes per side. (If pork begins to brown too quickly, lower that heat!) Transfer to a plate.

↔ Swap in **chicken** for pork. Cook until browned and cooked through, 5–6 minutes per side.

5.

Heat a **drizzle of oil** in pan used for pork over medium-high heat. Add **garlic** and **scallion whites**; cook until fragrant, 30 seconds. Stir in ¼ cup **water** (⅓ cup for 4 servings), **stock concentrate**, and **reserved pinch of paprika**. Cook until liquid has reduced, 2–3 minutes. Remove pan from heat. Season with **salt** and **pepper** to taste.

6.

Divide **pork**, **broccoli**, and **mashed potatoes** between plates. Top pork with **sauce** and garnish with **scallion greens**.

*Pork is fully cooked when internal temperature reaches 145°.
*Poultry is fully cooked when internal temperature reaches 165°.
