Calories: 720

WHAT YOU'LL NEED

Kosher Salt
Black Pepper

Ketchup

Cooking Oil

Brown Sugar

You may receive potatoes that are a different color. No matter the hue, they will be just as delicious!

Give friends \$20 off their first box and you'll get a \$20 credit when they cook with us. [EveryPlate.com/referral](https://www.everyplate.com/referral)

\$20

Ever wonder why we ask you to separate the white parts of scallions from the green ones? Well, the whites are super onion-y and take better to cooking, while the green tops make for a fresh topping or mix-in.

MORE IS MORE

If you upgraded your meal to double your protein or veggies and/or ordered 6 servings, you may need to cook in batches or larger cooking vessels. Remember: Larger batches may = longer cook times, so follow the visual and temperature cues. (For 6-person meals, combine the 2- and 4-serving ingredient amounts as needed.) For CustomPlate nutritional information, please refer to EveryPlate.com.

1.

Adjust rack to top position (middle and top positions for 4 servings) and preheat oven to 425 degrees. Wash and dry produce. Cut potatoes into ½-inch-thick wedges. Trim and quarter Brussels sprouts (halve any smaller sprouts). Toss potatoes on one side of a baking sheet with a drizzle of oil, salt, and pepper. (For 4, spread potatoes out across entire sheet.) Roast on top rack for 10 minutes (you'll add more to the sheet then).

↔ Cut sweet potatoes into ½-inch-thick wedges. Swap in sweet potatoes for potatoes.

2.

While potatoes roast, trim and thinly slice scallions, separating whites from greens; finely chop whites. Peel and finely chop garlic.

3.

In a small bowl, combine BBQ sauce, ¼ cup ketchup, 1 tsp BBQ seasoning, 1½ tsp brown sugar, and a big pinch of pepper. (For 4 servings, use ½ cup ketchup, 2 tsp BBQ seasoning, and 3 tsp brown sugar.) (If you don't have brown sugar, swap in an equal amount of white sugar.) Reserve half the BBQ ketchup in a small bowl for serving.

4.

In a medium bowl, combine beef, scallion whites, garlic, half the panko, remaining BBQ seasoning, ¾ tsp salt, and pepper. (For 4 servings, use all the panko and 1½ tsp salt.) Form into two 1-inch-tall loaves (four loaves for 4).

5.

Once potatoes have roasted 10 minutes, remove baking sheet from oven. Carefully toss Brussels sprouts with potatoes along with a drizzle of oil, salt, and pepper (if needed, push veggies to one side of the sheet to make room for meatloaves). Add meatloaves to empty side of sheet and brush tops with remaining BBQ ketchup. (For 4 servings, leave potatoes roasting; add Brussels sprouts and meatloaves to a second sheet and roast on middle rack.) Return to top rack until veggies are browned and tender and meatloaves are cooked through, 16–18 minutes more.

6.

Divide meatloaves and Brussels sprouts and potatoes between plates. Sprinkle meatloaves with scallion greens. Serve with reserved BBQ ketchup on the side for dipping.

*Ground Meat is fully cooked when internal temperature reaches 160°.
