MORE IS MORE

If you upgraded your meal to double your protein or veggies and/or ordered 6 servings, you may need to cook in batches or larger cooking vessels. Remember: Larger batches may = longer cook times, so follow the visual and temperature cues. (For 6-person meals, combine the 2- and 4-serving ingredient amounts as needed.) For CustomPlate nutritional information, please refer to EveryPlate.com.

1.

Adjust racks to top and middle positions. Preheat oven to 450 degrees. **Wash and dry produce.** Dice **potatoes** into ½-inch pieces. Cut **broccoli** into bite-size pieces. Trim and thinly slice **scallions**, separating whites from greens. Peel and finely chop **garlic**. Zest and quarter **lemon**.

↔ Dice **sweet potatoes** into ½-inch pieces.

2.

Toss **potatoes** on a baking sheet with a **drizzle of oil, salt, and pepper**. Toss **broccoli** on a separate sheet with a **drizzle of oil, salt, and pepper**. Roast potatoes on top rack and broccoli on middle rack until veggies are browned and tender, 20–25 minutes for potatoes and 12–15 minutes for broccoli.

↔ Swap in **sweet potatoes** for potatoes. Roast until browned and tender, 20–25 minutes.

3.

Meanwhile, pat **chicken** dry with paper towels; place between 2 large pieces of plastic wrap. Pound with a mallet or rolling pin until chicken is about ½ inch thick. Season all over with **salt and pepper**, then sprinkle both sides with ¼ cup **flour** (½ cup for 4 servings) to evenly coat. Shake off any excess.

4.

Heat a **large drizzle of oil** in a large, preferably nonstick, pan over medium-high heat. Add **coated chicken**; cook until browned, 4–5 minutes. Flip, add another **large drizzle of oil**, and cook until cooked through, 4–5 minutes more. (If chicken begins to brown too quickly, lower that heat!) Turn off heat; transfer to a plate. Wipe out pan.

5.

Heat a **large drizzle of olive oil** in same pan over medium heat. Add **scallion whites** and **garlic**; cook, stirring, until fragrant, 1–2 minutes. Add ¼ cup **water** (⅓ cup for 4), **stock concentrate**, and a **squeeze of lemon juice**. Cook, stirring occasionally, until slightly thickened, 1–2 minutes. Remove from heat; whisk in **sour cream**, **lemon zest**, and 1 TBSP **butter** (2 TBSP for 4). (If sauce seems too thick, add another splash of water.) Season with **pepper**.

6.

Divide **potatoes, broccoli, and chicken** between plates. Top chicken with **sauce** and garnish with **scallion greens**. Serve with **remaining lemon wedges** on the side.

*Poultry is fully cooked when internal temperature reaches 165°.
