Cooking Oil

You may receive potatoes  
that are a different color.  
No matter the hue, they  
will be just as delicious!

Give friends \$20 off their first box and  
you'll get a \$20 credit when they cook  
with us. [EveryPlate.com/referral](https://www.everyplate.com/referral)

**\$20**

Like things spicy? Instead of dolloping sour cream over your dish in Step 5, mix it in a small bowl with a dash of hot sauce from your pantry. Add water 1 tsp at a time until mixture reaches a drizzling consistency. Drizzle over hash.

## MORE IS MORE

If you upgraded your meal to double your protein or veggies and/or ordered 6 servings, you may need to cook in batches or larger cooking vessels. Remember: Larger batches may = longer cook times, so follow the visual and temperature cues. (For 6-person meals, combine the 2- and 4-serving ingredient amounts as needed.) For CustomPlate nutritional information, please refer to EveryPlate.com.

1.

Preheat oven to 425 degrees. **Wash and dry produce.** Dice **potatoes** and **sweet potato** into ½-inch pieces. (Not a fan of sweet potato skin? Feel free to peel it before dicing!) Core, deseed, and dice **green pepper** and **bell pepper** into ¾-inch pieces. Halve, peel, and dice **onion** into ¾-inch pieces.

2.

Toss **potatoes** and **sweet potato** on a baking sheet with a **drizzle of oil**, **Southwest Spice Blend**, **salt**, and **pepper**. Roast for 15 minutes (you'll add more to the sheet then).

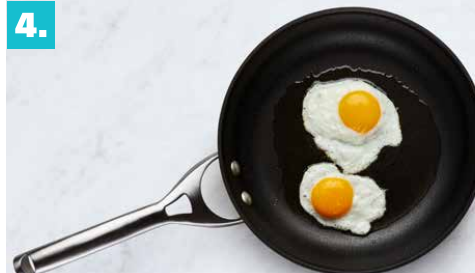

3.

Once **potatoes** have roasted 15 minutes, remove sheet from oven. Carefully add **green pepper**, **bell pepper**, and **onion**; toss with a **drizzle of oil**, **garlic powder**, **salt**, and **pepper**. (For 4 servings, leave potatoes roasting; toss peppers and onion on a second baking sheet.) Return sheet to oven; roast until everything is browned and tender, 15–18 minutes more.

↔ Add **bacon** to a medium dry pan in a single layer; heat over medium-high heat. Cook, turning occasionally, until crispy, 6–10 minutes. Turn off heat; transfer bacon to a paper-towel-lined plate. Once cool enough to handle, roughly chop.

4.

When potatoes and veggies have a few minutes left, heat a **drizzle of oil** in a large pan over medium heat. Once hot, crack **two eggs** (four eggs for 4 servings) into pan and cover. (For 4, you may want to cook eggs in batches.) Fry eggs to preference. Season with **salt** and **pepper**.

5.

Once **potatoes** and **veggies** are done, remove sheet from oven. Using a spatula, carefully push everything together into one pile. (For 4 servings, transfer peppers and onion to sheet with potatoes.) Evenly sprinkle with **Mexican Cheese Blend** and **Monterey Jack**; return to oven until cheese melts, 2–3 minutes more. Divide **hash** between plates. Top with **fried eggs** and dollop with **sour cream**.

↔ Before adding **cheese**, sprinkle **bacon** over **hash**.

\*Wash hands and surfaces after handling raw eggs. Consuming raw or undercooked eggs may increase your risk of foodborne illness.  
\*Pork is fully cooked when internal temperature reaches 145°.
