MORE IS MORE

If you upgraded your meal to double your protein or veggies and/or ordered 6 servings, you may need to cook in batches or larger cooking vessels. Remember: Larger batches may = longer cook times, so follow the visual and temperature cues. (For 6-person meals, combine the 2- and 4-serving ingredient amounts as needed.) For CustomPlate nutritional information, please refer to EveryPlate.com.

1.

Bring a large pot of **salted water** to a boil. **Wash and dry produce.** Grate **Parmesan** over a small bowl. Zest and quarter **lemon**. Finely chop **chives**. When water is boiling, add **pasta** to pot. Cook, stirring occasionally, until al dente, 9–11 minutes. Reserve **1 cup pasta cooking water**, then drain.

2.

Place **bacon** in a large dry pan over medium–high heat. Cook, turning occasionally, until browned and crispy, 6–10 minutes. Turn off heat; transfer to a paper-towel-lined plate. Wipe out pan. When bacon is cool enough to handle, roughly chop.

3.

Rinse **shrimp** under cold water and pat dry with paper towels. Heat a **drizzle of oil** in pan used for bacon over medium–high heat. Add shrimp and season with **salt** and **pepper**. Cook, turning occasionally, until opaque and cooked through, 3–4 minutes. Reduce heat under pan to low. Add **Italian Seasoning** and **garlic powder**; stir to coat.

4.

Add **cream sauce base**, **mozzarella**, **half the Parmesan**, and **¼ cup reserved pasta cooking water** (**½ cup for 4 servings**) to pan with **shrimp**; stir to combine. Add **drained pasta** and **chopped bacon**; toss to combine, adding **splashes of reserved pasta cooking water** as needed until everything is coated in a creamy sauce. Add a **pinch of lemon zest** and a **squeeze of lemon juice**; stir to combine. Taste and season with **salt** and **pepper**.

5.

Divide **pasta** between bowls. Top with **chives** and **remaining Parmesan**. Serve with **remaining lemon wedges** on the side.

*Pork is fully cooked when internal temperature reaches 145°.
*Shellfish is fully cooked when internal temperature reaches 145°.
