What's better than a BBQ chicken sandwich? A spicy BBQ chicken sandwich! If you've got some on hand, drizzle your finished sando with hot sauce for an extra-special bite.

MORE IS MORE

If you upgraded your meal to double your protein or veggies and/or ordered 6 servings, you may need to cook in batches or larger cooking vessels. Remember: Larger batches may = longer cook times, so follow the visual and temperature cues. (For 6-person meals, combine the 2- and 4-serving ingredient amounts as needed.) For CustomPlate nutritional information, please refer to EveryPlate.com.

1.

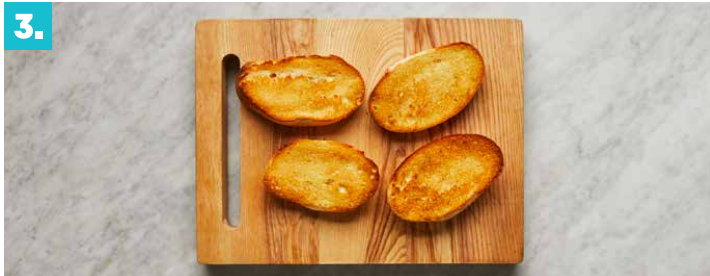

Wash and dry produce. In a medium bowl, combine **coleslaw mix**, **mustard**, **half the dressing**, and **2 TBSP mayonnaise** (4 TBSP for 4 servings); toss to combine. Taste and season with **salt** and **pepper**; set aside.

2.

Open package of **chicken** and drain off any excess liquid. Heat a **drizzle of oil** in a large pan over medium-high heat. Add chicken and **BBQ Seasoning**; season with **salt** and **pepper**. Cook, stirring occasionally, until browned and cooked through, 4-6 minutes.

3.

Meanwhile, halve and toast **baguettes**.

4.

Once **chicken** is finished cooking, transfer to a second medium bowl; add **BBQ sauce** and toss to coat.

5.

Spread cut sides of **baguettes** with **remaining dressing**. Fill baguettes with **BBQ chicken** and **crispy onions**. Divide **sandos** between plates and serve with **slaw** on the side (add a bit of slaw to your sandwich if you like!).

*Poultry is fully cooked when internal temperature reaches 165°.
