MORE IS MORE

If you upgraded your meal to double your protein or veggies and/or ordered 6 servings, you may need to cook in batches or larger cooking vessels. Remember: Larger batches may = longer cook times, so follow the visual and temperature cues. (For 6-person meals, combine the 2- and 4-serving ingredient amounts as needed.) For CustomPlate nutritional information, please refer to EveryPlate.com.

1.

Adjust racks to middle and top positions and preheat oven to 425 degrees. **Wash and dry produce.** Grate **Parmesan** over a small bowl (*skip if pre-shredded*). Cut **broccoli** into bite-size pieces. Dice **potatoes** into ½-inch pieces. Peel **garlic**. Finely slice **chives**. Place **1 TBSP butter** (*2 TBSP for 4 servings*) in a separate small, microwave-safe bowl; microwave until melted, 30 seconds. Stir in Parmesan, **half the panko**, **half the Fry Seasoning**, **salt**, and **pepper** (*all the panko and all the Fry Seasoning for 4*).

2.

Pat **chicken** dry with paper towels; place on one side of a baking sheet. Season all over with **salt** and **pepper**. Arrange **bacon** in a single layer on empty side. Spread top of each piece of chicken with **1 TBSP mayonnaise**, then mound with **panko mixture**, pressing to adhere (*no need to coat the undersides*).

3.

Toss **broccoli** on a second baking sheet with a **drizzle of oil**, **salt**, and **pepper**. Roast on middle rack until browned and tender, 15–20 minutes. Place sheet with **chicken** and **bacon** on top rack; roast until chicken is cooked through and bacon is crispy, 15–20 minutes.

4.

While everything roasts, place **potatoes** and **garlic** in a medium pot with enough **salted water to cover by 2 inches**. Bring to a boil and cook until tender, 10–12 minutes. Reserve **½ cup potato cooking liquid**, then drain and return potatoes and garlic to pot.

5.

Once **bacon** is done, carefully transfer to a cutting board. Once cool enough to handle, roughly chop. Mash **potatoes and garlic** with **sour cream**, **3 TBSP butter** (*6 TBSP for 4 servings*), and **splashes of reserved potato cooking liquid** (*we used ¼ cup; ½ cup for 4*) as needed until creamy. Stir in chopped bacon and **half the chives**. Season generously with **salt** and **pepper**.

6.

Divide **chicken**, **broccoli**, and **mashed potatoes** between plates. Sprinkle with **remaining chives**.

*Poultry is fully cooked when internal temperature reaches 165°.
*Pork is fully cooked when internal temperature reaches 145°.
