Want to nail the perfect pot of rice? Once the water boils, immediately cover the pot with a tight-fitting lid and reduce the heat. Simmer until no water remains (resisting the urge to peek!). Finally, let the pot sit off heat while you finish cooking. This allows the moisture to redistribute, giving you tender, fluffy grains.

MORE IS MORE

If you upgraded your meal to double your protein or veggies and/or ordered 6 servings, you may need to cook in batches or larger cooking vessels. Remember: Larger batches may = longer cook times, so follow the visual and temperature cues. (For 6-person meals, combine the 2- and 4-serving ingredient amounts as needed.) For CustomPlate nutritional information, please refer to EveryPlate.com.

1.

Wash and dry produce. Peel and finely chop or grate **garlic**. Peel and finely chop or grate **ginger**.

2.

Melt **1 TBSP butter** (2 TBSP for 4 servings) in a small pot over medium-high heat. Add **garlic** and **half the ginger**. Cook, stirring, until fragrant, 30 seconds. Stir in **rice**, **1 1/4 cups water** (2 1/4 cups for 4), and a **big pinch of salt**. Bring to a boil, then cover and reduce heat to low. Cook until rice is tender, 15-18 minutes. Keep covered off heat until ready to serve.

3.

While rice cooks, trim and remove strings from **snap peas** by snapping off the stem end with your fingers and gently pulling (like you would a zipper). In a small bowl, combine **2 TBSP mayonnaise** (4 TBSP for 4) with **half the chili sauce** (you'll use the rest later). Stir in **water** 1 tsp at a time until mixture reaches a drizzling consistency. Season with **salt** and **pepper**. Set aside.

4.

Heat a **drizzle of oil** in a large pan over medium-high heat. Add **snap peas**; cook, undisturbed, until charred on one side, 1-2 minutes. Continue to cook, stirring occasionally, until tender and charred all over, 1-2 minutes more. Transfer to a second small bowl and season with **salt** and **pepper**. Cover to keep warm.

5.

Heat a **drizzle of oil** in pan used for snap peas over high heat. Add **beef** and season with **salt** and **pepper**. Cook, breaking up meat into pieces, until browned and cooked through, 4-5 minutes. Add **remaining ginger**; cook until fragrant, 30 seconds. Add **ponzu** and **remaining chili sauce**; stir until coated, 1-2 minutes. Remove from heat; season with **salt** and **pepper**.

6.

Fluff **rice** with a fork and season with **salt** and **pepper**. Divide rice between bowls. Top with **beef** and **snap peas** in separate sections. Drizzle everything with **chili mayo**.

*Ground Meat is fully cooked when internal temperature reaches 160°.
