MORE IS MORE

If you upgraded your meal to double your protein or veggies and/or ordered 6 servings, you may need to cook in batches or larger cooking vessels. Remember: Larger batches may = longer cook times, so follow the visual and temperature cues. (For 6-person meals, combine the 2- and 4-serving ingredient amounts as needed.) For CustomPlate nutritional information, please refer to EveryPlate.com.

1.

Wash and dry produce. Halve, peel, and dice **onion**. Thinly slice **scallions**, separating whites from greens. Dice **sweet potato** into ½-inch pieces (peel first if desired). (Skip if your sweet potato is pre-cut!) Peel and finely chop **garlic**.

2.

Heat a **large drizzle of oil** in a medium pot over medium-high heat. Add **onion** and **scallion whites** and cook, stirring, until softened, 5–7 minutes.

3.

Add **sweet potato** to pot and season generously with **salt** and **pepper**. Cook, stirring, until lightly browned, 4–6 minutes. Add **garlic** and **Southwest Spice Blend**; cook, stirring, until fragrant, 30–60 seconds.

4.

Stir in **tomato paste** and **Tex-Mex paste**; cook until slightly darkened and combined, 1–2 minutes. Stir in **beans and their liquid**, **stock concentrate**, **1 cup water** (2 cups for 4 servings), **salt**, and **pepper**. Bring to a simmer and cook until thickened, 12–15 minutes. Turn off heat. Taste and season with **salt** and **pepper** as needed.

While stew simmers, heat a **drizzle of oil** in a large pan over medium-high heat. Add **beef** and season with **salt** and **pepper**. Cook, breaking up meat into pieces, until browned and cooked through, 4–5 minutes.

5.

Divide **stew** between bowls. Top with **cheese**, **sour cream**, and **scallion greens**.

Stir **beef** into **stew** before serving.
