Get creative with those potatoes! Raid your spice cabinet—we especially love onion powder and cayenne pepper—and sprinkle a pinch of your seasoning pick over your spuds before roasting in Step 3.

MORE IS MORE

If you upgraded your meal to double your protein or veggies and/or ordered 6 servings, you may need to cook in batches or larger cooking vessels. Remember: Larger batches may = longer cook times, so follow the visual and temperature cues. (For 6-person meals, combine the 2- and 4-serving ingredient amounts as needed.) For CustomPlate nutritional information, please refer to EveryPlate.com.

1.

Adjust rack to middle position (middle and top positions for 4 servings) and preheat oven to 425 degrees. Wash and dry produce. Using your hands, finely crush **crispy fried onions** in their package (snip a small hole in the bag first if there's too much air). In a small bowl, combine **hot honey**, half the **mustard**, and **2 TBSP mayonnaise** (4 TBSP for 4). In a separate small bowl, combine crushed crispy fried onions, **panko**, a **drizzle of oil**, and a **pinch of salt**.

2.

Pat **chicken** dry with paper towels and season all over with **salt** and **pepper**. Place on one side of a baking sheet (for 4 servings, spread chicken out across entire sheet). Spread top of each thigh with **1 tsp hot honey mustard**. Mound with **crushed onion mixture**, pressing to adhere (no need to coat the undersides).

3.

Pat **potatoes** very dry with paper towels. On opposite side of sheet from **chicken**, toss potatoes with a **drizzle of oil**, **half the garlic powder**, **salt**, and **pepper**. Roast on middle rack until potatoes are tender and chicken is cooked through, 18–20 minutes. (For 4 servings, toss potatoes on a second baking sheet; roast potatoes on middle rack and chicken on top rack.)

4.

While chicken and potatoes roast, in a large bowl, whisk together **remaining mustard**, **remaining garlic powder**, **half the vinegar**, **1 TBSP olive oil**, **salt**, and **pepper** (all the vinegar and 2 TBSP olive oil for 4 servings). When chicken and potatoes have 5 minutes remaining, add **arugula** to bowl with **dressing** and toss until evenly coated.

5.

Divide **chicken**, **potatoes**, and **salad** between plates. Drizzle chicken with **remaining hot honey mustard**.

**Poultry is fully cooked when internal temperature reaches 165°.*
