MORE IS MORE

If you upgraded your meal to double your protein or veggies and/or ordered 6 servings, you may need to cook in batches or larger cooking vessels. Remember: Larger batches may = longer cook times, so follow the visual and temperature cues. (For 6-person meals, combine the 2- and 4-serving ingredient amounts as needed.) For CustomPlate nutritional information, please refer to EveryPlate.com.

1.

Adjust rack to middle position and preheat oven to 450 degrees. **Wash and dry produce.** Trim, peel, and halve **carrot** lengthwise; thinly slice crosswise into half-moons. Trim and thinly slice **mushrooms** (skip this step if your mushrooms are pre-sliced!). Halve, peel, and finely dice **onion**. Peel and finely chop **garlic**. Strip **thyme leaves** from stems; roughly chop leaves until you have 1 TBSP (2 TBSP for 4 servings).

↔ Open package of **chicken**; drain off any excess liquid. Heat a drizzle of oil in a large ovenproof pan over medium-high heat. Add **chicken** or **beef**; season with **salt** and **pepper**. Cook, stirring frequently, until cooked through, 4–6 minutes. Turn off heat; transfer to a plate. Wipe out pan.

3.

Sprinkle 2 TBSP flour (4 TBSP for 4 servings) over **veggie mixture**; stir until lightly browned, 1 minute. Gradually stir in 1 cup water (2 cups for 4) until fully incorporated. Stir in **stock concentrates**, then bring mixture to a boil. Cook, stirring, until thickened, 1–2 minutes. (Mixture should be the consistency of thick gravy; continue simmering if too thin.) Season with **salt** and **pepper**.

5.

Remove **biscuits** from package. Quarter two biscuits (four biscuits for 4 servings) to make smaller triangles; trim edges to create eight small, sharp triangles (16 small triangles for 4). Cut and trim remaining biscuits into three triangles each (you'll have 9 triangles; 18 for 4). Arrange larger biscuit triangles, pointy sides up, atop **filling** to create the nose and eyes. Arrange smaller triangles (we used 6), pointy sides down, to create the mouth (for 4 servings, divide everything between two baking dishes).

*Poultry is fully cooked when internal temperature reaches 165°.
*Ground Meat is fully cooked when internal temperature reaches 160°.

2.

Heat a drizzle of oil in a large ovenproof pan over medium-high heat. Add **carrot** and **mushrooms**; season with **salt** and **pepper**. Cook, stirring, until browned and softened, 5–7 minutes. Add 2 TBSP butter (4 TBSP for 4 servings), **onion**, **garlic**, and **chopped thyme**. Season with **salt** and **pepper**. Cook, stirring, until softened and lightly browned, 4–5 minutes.

↔ Use pan used for chicken or beef here.

4.

Stir in **peas**, **sour cream**, and **cream cheese** until thoroughly combined. Season with **salt** and **pepper** (if filling seems too thick, add a splash of water). Turn off heat. (For 4, divide filling between two medium baking dishes.)

↔ Stir in **chicken** or **beef** along with **cream cheese** until thoroughly combined.

6.

Place 1 TBSP butter (2 TBSP for 4 servings) in a small microwave-safe bowl. Microwave until melted, 30 seconds. Brush **biscuit triangles** with **melted butter**. Transfer to oven and bake on middle rack until biscuits are puffed and golden, 9–11 minutes. Divide **pot pie** between plates.
