MORE IS MORE

If you upgraded your meal to double your protein or veggies and/or ordered 6 servings, you may need to cook in batches or larger cooking vessels. Remember: Larger batches may = longer cook times, so follow the visual and temperature cues. (For 6-person meals, combine the 2- and 4-serving ingredient amounts as needed.) For CustomPlate nutritional information, please refer to EveryPlate.com.

1.

Bring a large pot of **salted water** to a boil. **Wash and dry produce.** Trim and thinly slice **mushrooms** (skip if your mushrooms are pre-sliced!). Zest and quarter **lemon**.

2.

Once water is boiling, add **pasta** to pot. Cook, stirring occasionally, until al dente, 9–11 minutes. Drain.

Open package of **chicken** and drain off any excess liquid or rinse **shrimp** under cold water and pat dry with paper towels. Season all over with **salt** and **pepper**. Heat a **drizzle of oil** in a large pan over medium-high heat. Add chicken or shrimp in a single layer; cook, stirring occasionally, until cooked through, 4–6 minutes for chicken or 3–4 minutes for shrimp. Turn off heat; transfer to a plate. Wipe out pan,

3.

While pasta cooks, heat a **large drizzle of oil** in a large pan over medium-high heat. Add **mushrooms** and season with **salt** and **pepper**. Cook, stirring occasionally, until browned and tender, 5–7 minutes. Reduce heat to low; stir in **peas** and cook until warmed through, 1–2 minutes. Stir in **cream sauce base**, **stock concentrates**, and **garlic powder**; bring to a simmer and cook until thickened, 1–2 minutes more. Remove from heat.

Use pan used for chicken or shrimp here.

4.

Stir **drained pasta**, **1 TBSP butter** (2 TBSP for 4 servings), and a **squeeze of lemon juice** into same pan with **sauce** until butter is melted and pasta is coated. (If butter isn't melting, return pan to low heat.) Taste and season with **salt** and **pepper**.

Stir **chicken** or **shrimp** into pan with **sauce** along with **pasta**.

5.

Divide **pasta** between bowls and sprinkle with **lemon zest** to taste. Serve with **remaining lemon wedges** on the side.

*Poultry is fully cooked when internal temperature reaches 165°.
*Shellfish is fully cooked when internal temperature reaches 145°.
