MORE IS MORE

If you upgraded your meal to double your protein or veggies and/or ordered 6 servings, you may need to cook in batches or larger cooking vessels. Remember: Larger batches may = longer cook times, so follow the visual and temperature cues. (For 6-person meals, combine the 2- and 4-serving ingredient amounts as needed.) For CustomPlate nutritional information, please refer to EveryPlate.com.

1.

Wash and dry produce. Finely chop **parsley**. Peel and finely chop **one garlic clove** (two cloves for 4 servings); leave remaining clove whole. Peel and dice **potatoes** into ½-inch pieces. Cut **broccoli** into bite-size pieces. Place **2 TBSP butter** (4 TBSP for 4) in a small microwave-safe bowl; microwave until just softened, 5–10 seconds. Stir in 1 tsp parsley (2 tsp for 4) and a pinch of garlic. Season with **salt** and **pepper**.

2.

Place **potatoes** and **whole garlic clove** (two whole cloves for 4 servings) in a medium pot with enough **salted water** to cover by 2 inches. Bring to a boil and cook until tender when pierced with a fork, 10–12 minutes. Reserve **½ cup potato cooking liquid**, then drain and return potatoes and garlic to pot. Keep covered off heat until ready to mash.

3.

Meanwhile, heat a large, dry pan over medium-high heat. Add **almonds** and cook, stirring often, until golden brown and fragrant, 5–6 minutes. Turn off heat; transfer to a plate. Wipe out pan. Pat **steak** dry with paper towels; season all over with **salt** and **pepper**. Heat a **large drizzle of oil** in pan used for almonds over medium-high heat. Add steak and cook to desired doneness, 3–5 minutes per side. Transfer to a cutting board.

4.

Reheat pan used for steak over medium heat; add **broccoli** and cook, stirring occasionally, until bright green, 2–3 minutes. Pour **¼ cup water** (½ cup for 4 servings) into pan and cover. Let steam, shaking pan once or twice, until broccoli is tender, 3–4 minutes. Uncover and add **chopped garlic**. Cook, stirring occasionally, until fragrant, 30 seconds. Season with **salt** and **pepper**.

5.

Meanwhile, mash **potatoes** and **garlic** with **3 TBSP plain butter** (6 TBSP for 4 servings) until smooth, adding **splashes of reserved potato cooking liquid** (or milk, for extra creaminess) as needed (we used ¼ cup; ½ cup for 4). Taste and season with **salt** and **pepper**. Carefully transfer **mashed potatoes** to a large zip-close bag; snip off one corner to make a hole (about ½ inch wide).

6.

Pipe 2–3 potato “ghosts” onto two plates (like piping frosting!). (Smooth out any edges using the back of a spoon.) Add **two almond slices** to each “ghost” to create “eyes.” Using a toothpick or the tip of a knife, create a “mouth” for each “ghost.” Divide **steak** and **broccoli** between plates with potato “ghosts.” Sprinkle broccoli with remaining almonds. Dollop steak with **hotel butter**. Garnish with **remaining parsley**.

*Beef is fully cooked when internal temperature reaches 145°.
