MORE IS MORE

If you upgraded your meal to double your protein or veggies and/or ordered 6 servings, you may need to cook in batches or larger cooking vessels. Remember: Larger batches may = longer cook times, so follow the visual and temperature cues. (For 6-person meals, combine the 2- and 4-serving ingredient amounts as needed.) For CustomPlate nutritional information, please refer to EveryPlate.com.

1.

Preheat oven to 450 degrees. **Wash and dry produce.** Dice **sweet potato** into ½-inch pieces. Halve, peel, and thinly slice **onion**; finely chop a few slices until you have 1 TBSP (2 TBSP for 4 servings). Halve, core, and thinly slice **green pepper** crosswise into strips. Toss sweet potato on a baking sheet with a **drizzle of oil, salt, pepper**, and a **pinch of chipotle powder** to taste (add more if you like things spicy). Roast until slightly softened, 12 minutes (you'll add the rest of the veggies then).

3.

In a second small bowl, combine **sour cream**, a **squeeze of lime juice**, a **pinch of garlic**, and a **pinch of chipotle powder** to taste. Season with **salt** and **pepper**. Taste and add more garlic and chipotle powder if desired.

5.

Rub one side of each **tortilla** with a **drizzle of oil**; carefully place, oiled sides down, on sheet used for veggies. Evenly sprinkle one half of each tortilla with **cheese**. Top with **veggies** and as much **remaining jalapeño** as you like; fold tortillas in half to create **quesadillas**.

Add **chicken** or **beef** to **tortillas** along with **veggies**.

2.

While sweet potato roasts, dice **tomato**. Halve **lime**. Finely chop **jalapeño**, removing ribs and seeds if you prefer less heat. Peel and finely chop **garlic**. In a small bowl, combine **chopped onion**, **tomato**, **juice from half the lime**, and as much **jalapeño** as you like (save some for stuffing the quesadillas!). Season with **salt** and **pepper**.

4.

Once **sweet potato** is slightly softened, remove sheet from oven. Add **green pepper** and **sliced onion** to same sheet; carefully toss with a **drizzle of oil, salt**, and **pepper**. Return to oven until veggies are browned and tender, 10–15 minutes more. Transfer veggies to a plate. Carefully wipe off sheet.

While veggies roast, open package of **chicken** and drain off any excess liquid. Heat a **drizzle of oil** in a large pan over medium-high heat. Add **chicken** or **beef**; season with **salt** and **pepper**. Cook, stirring frequently, until browned and cooked through, 4–6 minutes.

6.

Return sheet to oven, flipping **quesadillas** halfway through, until tortillas are lightly browned and cheese melts, 4–5 minutes. Cut each quesadilla into three wedges; divide between plates. Serve with **salsa** and **chipotle sour cream**.

*Poultry is fully cooked when internal temperature reaches 165°.
*Ground Meat is fully cooked when internal temperature reaches 160°.
