WHAT YOU'LL NEED

Kosher Salt
Black Pepper

Flour
Contains: Wheat

Cooking Oil

Egg
Contains: Eggs

When coating your chicken (aka dipping into the beaten egg and flour), we highly recommend using one hand for dipping into the egg and the other for coating in the flour. This will prevent dreaded breaded fingertips (THE HORROR!) and make the whole process a lot less messy.

MORE IS MORE

If you upgraded your meal to double your protein or veggies and/or ordered 6 servings, you may need to cook in batches or larger cooking vessels. Remember: Larger batches may = longer cook times, so follow the visual and temperature cues. (For 6-person meals, combine the 2- and 4-serving ingredient amounts as needed.) For CustomPlate nutritional information, please refer to EveryPlate.com.

1.

Adjust rack to middle position and preheat oven to 425 degrees. **Wash and dry produce.** Trim and thinly slice **scallions**, separating whites from greens. Trim, peel, and cut **carrots** on a diagonal into 1/2-inch-thick pieces.

↔ Open and drain **tofu**; press out excess water with paper towels. Halve crosswise, then stand tofu upright and halve vertically. Lay flat and cut into 1-inch cubes. Season with **salt** and **pepper**.

3.

While rice cooks, toss **carrots** on a baking sheet with a **drizzle of oil**, **sesame seeds**, **salt**, and **pepper**. Roast on middle rack until browned and tender, 20–25 minutes.

5.

Heat a 1/3-inch layer of oil in a large pan over medium-high heat. Once oil is hot enough that a **pinch of flour** sizzles when added to the pan, add **coated chicken** in a single layer, spacing at least 1 inch apart (you may need to work in batches). Cook, turning occasionally, until golden brown and cooked through, 6–8 minutes. (If chicken begins to brown too quickly, lower that heat!) Transfer to a paper-towel-lined plate.

↔ Swap in **tofu** for chicken. Heat a large drizzle of oil in a large, preferably nonstick, pan over medium heat. Add tofu in an even layer. Cook, undisturbed, until browned on bottom, 3–4 minutes. Continue to cook, stirring occasionally, until browned all over, 3–4 minutes more.

*Poultry is fully cooked when internal temperature reaches 165°.

*Wash hands and surfaces after handling raw eggs. Consuming raw or undercooked eggs may increase your risk of foodborne illness.

2.

Heat a **drizzle of oil** in a small pot over medium-high heat. Add **scallion whites** and cook, stirring frequently, until fragrant, 30 seconds. Stir in **rice**, **1 1/4 cups water** (2 1/4 cups for 4 servings), and a **pinch of salt**. Bring to a boil, then cover and reduce heat to low. Cook until rice is tender, 15–20 minutes. Keep covered off heat until ready to serve.

4.

Pat **chicken** dry with paper towels; dice into 1-inch pieces. Season all over with **salt** and **pepper**. In a medium bowl, whisk together **cornstarch** and 1/4 cup **flour** (1/2 cup for 4 servings). Crack **one egg** (two eggs for 4) into a small bowl; whisk in **2 TBSP water** (4 TBSP for 4). Working a few pieces at a time, press chicken into **flour mixture** until fully coated. Gently shake off excess, then dip into **egg mixture** to coat. Let excess egg drip off, then press into flour mixture again until fully coated. (For less mess, use tongs to dip and transfer!)

6.

In a large bowl, combine **chili sauce** and **soy sauce**. Transfer **fried chicken** to bowl and toss to coat. Fluff **rice** with a fork and divide between bowls; top with **General Tso's chicken** and **carrots**. Garnish with **scallion greens**.

↔ Toss **cooked tofu** with **chili soy sauce** as instructed.
