\$20

Give friends \$20 off their first box and you'll
get a \$20 credit when they cook with us.
EveryPlate.com/referral

In Step 6, we give you two ways to serve. If you opt for family style, present each element in its own bowl on a countertop or at the table. A little presentation goes a long way!

MORE IS MORE

If you upgraded your meal to double your protein or veggies and/or ordered 6 servings, you may need to cook in batches or larger cooking vessels. Remember: Larger batches may = longer cook times, so follow the visual and temperature cues. (For 6-person meals, combine the 2- and 4-serving ingredient amounts as needed.) For CustomPlate nutritional information, please refer to EveryPlate.com.

1.

Wash and dry produce. Dice **tomato** into ¼-inch pieces. Halve, peel, and thinly slice **onion**; finely chop a few slices until you have 2 TBSP (4 TBSP for 4 servings). Quarter **lime**. Core, deseed, and thinly slice **bell pepper**. Peel and thinly slice **garlic**. Finely chop **cilantro**.

2.

In a medium bowl, combine **tomato**, **chopped onion**, a squeeze of **lime juice** (big squeeze of lime juice for 4 servings), a pinch of **cilantro**, **salt**, and **pepper**. In a small bowl, whisk together **sour cream** and **guacamole**; season with **salt** and **pepper**. Set aside.

3.

Heat a **drizzle of oil** in a large pan over medium-high heat. Add **bell pepper** and **sliced onion**; season with **salt** and **pepper**. Cook, stirring occasionally, until browned and tender, 5–7 minutes. Stir in **half the Mexican Spice Blend** and cook until fragrant, 30 seconds. Turn off heat; transfer to a second medium bowl. Wash out pan.

4.

While veggies cook, pat **steak** dry with paper towels. Season all over with **remaining Mexican Spice Blend**, **salt**, and **pepper**. Heat another **drizzle of oil** in same pan over medium-high heat. Once pan is hot, add **steak**; cook **steak** to desired doneness, 3–5 minutes per side. When **steak** has about 2 minutes left, add **garlic** to pan. Once **steak** is done, transfer to a cutting board to rest for 2–3 minutes.

5.

Wrap **tortillas** in damp paper towels and microwave until warm and pliable, about 30 seconds.

6.

Thinly slice **steak** against the grain. Serve everything family style in separate bowls, or divide **tortillas** between plates and fill with **fajita veggies** and **steak**; top with **pico de gallo**, **creamy guacamole**, **cheese**, and **remaining cilantro**. Serve with **remaining lime wedges** on the side.

*Beef is fully cooked when internal temperature reaches 145°.
