MORE IS MORE

If you upgraded your meal to double your protein or veggies and/or ordered 6 servings, you may need to cook in batches or larger cooking vessels. Remember: Larger batches may = longer cook times, so follow the visual and temperature cues. (For 6-person meals, combine the 2- and 4-serving ingredient amounts as needed.) *For CustomPlate nutritional information, please refer to EveryPlate.com.*

1.

Bring a large pot of **salted water** to a boil. Once water is boiling, add **pasta** to pot. Cook, stirring occasionally, until al dente, 9–11 minutes. Reserve **½ cup pasta cooking water** (**1 cup for 4 servings**), then drain.

2.

While pasta cooks, heat a **drizzle of oil** in a large pan over medium–high heat. Add **beef** and season with **salt** and **pepper**. Cook, breaking up meat into pieces, until browned and cooked through, 4–6 minutes. Carefully drain any excess grease from pan.

3.

Reduce heat under pan with beef to medium low. Stir in **tomato paste**, **garlic powder**, and **Italian Seasoning** until combined. Add **cream sauce base** and stir to combine. Taste and season with **salt** and **pepper**.

4.

Add **drained pasta** and **1 TBSP butter** (**2 TBSP for 4 servings**) to pan with **sauce**; stir to combine. If needed, add **reserved pasta cooking water** a splash at a time until pasta is coated in a creamy sauce.

5.

Divide **pasta** between bowls and grate as much **Parmesan** on top as you like (**sprinkle if pre-shredded**).

*Ground Meat is fully cooked when internal temperature reaches 160°.
