If you have a few extra minutes, let the sliced pork sit in the Tex-Mex marinade a little longer. It'll soak up even more flavor, making for tastier results.

MORE IS MORE

If you upgraded your meal to double your protein or veggies and/or ordered 6 servings, you may need to cook in batches or larger cooking vessels. Remember: Larger batches may = longer cook times, so follow the visual and temperature cues. (For 6-person meals, combine the 2- and 4-serving ingredient amounts as needed.) *For CustomPlate nutritional information, please refer to EveryPlate.com.*

1.

Wash and dry produce. Peel and finely chop **garlic**. Zest and quarter **lime**. Dice **tomato** into ¼-inch pieces. Halve, peel, and thinly slice **onion**; chop a few slices until you have 2 TBSP (4 TBSP for 4 servings).

2.

Pat **pork** dry with paper towels; very thinly slice crosswise. Place in a medium bowl; toss with **garlic**, **Tex-Mex paste**, a **squeeze of lime juice**, a **drizzle of oil**, and a **pinch of salt**. Set aside to marinate.

3.

In a small bowl, combine **tomato**, **chopped onion**, a **squeeze of lime juice**, **salt**, and **pepper**. In a separate small bowl, combine **sour cream** with a **pinch of lime zest**. Add **water** 1 tsp at a time until mixture reaches a drizzling consistency; season with **salt** and **pepper**.

4.

Heat a **drizzle of oil** in a large pan over medium-high heat. Add **sliced onion** and cook, stirring, until onion begins to soften, 1–2 minutes. Season with **salt** and **pepper**. Add **pork mixture** and cook, stirring, until cooked through, 4–6 minutes.

5.

Wrap **tortillas** in damp paper towels and microwave until warm and pliable, 30 seconds. Divide tortillas between plates; fill with **pork mixture**, then top with **pico de gallo** and **lime crema**. Serve with **remaining lime wedges** on the side.

**Pork is fully cooked when internal temperature reaches 145°.*
