MORE IS MORE

If you upgraded your meal to double your protein or veggies and/or ordered 6 servings, you may need to cook in batches or larger cooking vessels. Remember: Larger batches may = longer cook times, so follow the visual and temperature cues. (For 6-person meals, combine the 2- and 4-serving ingredient amounts as needed.) *For CustomPlate nutritional information, please refer to EveryPlate.com.*

1.

Wash and dry produce. Trim and peel **carrot**; grate on the largest holes of a box grater. Trim and dice **cucumber** into ¼-inch pieces. Peel and finely chop **garlic**. Trim and discard root end from **lettuce**; separate leaves.

2.

In a medium bowl, combine **grated carrot**, **cucumber**, **chili flakes**, **vinegar**, and ½ tsp sugar (**1 tsp for 4 servings**). Set aside.

3.

Heat a **drizzle of oil** in a large pan over medium-high heat. Add **chicken** and cook, breaking up meat into pieces, until beginning to brown, 1–2 minutes.

4.

Stir in **garlic** and **bulgogi sauce**; cook, stirring occasionally, until sauce has thickened and chicken is cooked through, 3–5 minutes more. Taste and season with **salt** and **pepper**.

5.

Divide **lettuce leaves** between plates; fill with **bulgogi chicken** and top with **cucumber carrot salad** (**draining first**).

**Ground Poultry is fully cooked when internal temperature reaches 165°.*
