MORE IS MORE

If you upgraded your meal to double your protein or veggies and/or ordered 6 servings, you may need to cook in batches or larger cooking vessels. Remember: Larger batches may = longer cook times, so follow the visual and temperature cues. (For 6-person meals, combine the 2- and 4-serving ingredient amounts as needed.) *For CustomPlate nutritional information, please refer to EveryPlate.com.*

1.

Preheat oven to 450 degrees. **Wash and dry produce.** Cut **potatoes** into 1/4-inch-thick rounds. Toss on one side of a baking sheet with a **large drizzle of oil, salt, and pepper.** (For 4 servings, spread potatoes out across entire sheet.) Roast for 5 minutes (you'll add the Brussels sprouts then).

2.

Meanwhile, trim and halve **Brussels sprouts** lengthwise. Once **potatoes** have roasted 5 minutes, remove baking sheet from oven. Carefully toss Brussels sprouts on opposite side of sheet with a **drizzle of oil, salt, and pepper.** (For 4 servings, leave **potatoes** roasting and toss **Brussels sprouts** on a second **baking sheet.**) Return to oven until veggies are lightly browned and tender, 15–20 minutes more. Toss Brussels sprouts with **cranberries.**

3.

While veggies roast, finely chop **parsley.** Peel and finely chop **garlic.** Place **2 TBSP butter (4 TBSP for 4 servings)** in a small microwave-safe bowl; microwave until just softened, 5–10 seconds. Stir in 1 tsp parsley (**2 tsp for 4**) and a pinch of garlic. Season with **salt and pepper.**

4.

Pat **steak** dry with paper towels and season all over with **salt and pepper.** Heat a **large drizzle of oil** in a large pan over medium-high heat. Add steak and cook to desired doneness, 3–5 minutes per side. Turn off heat; transfer to a cutting board to rest for at least 3–5 minutes.

5.

Thinly slice **steak** against the grain. Divide steak, **potatoes,** and **Brussels sprouts** between plates. Dollop steak with **garlic herb butter.** Garnish with **remaining parsley.**
