MORE IS MORE

If you upgraded your meal to double your protein or veggies and/or ordered 6 servings, you may need to cook in batches or larger cooking vessels. Remember: Larger batches may = longer cook times, so follow the visual and temperature cues. (For 6-person meals, combine the 2- and 4-serving ingredient amounts as needed.) *For CustomPlate nutritional information, please refer to EveryPlate.com.*

1.

Adjust rack to middle position and preheat oven to 425 degrees. **Wash and dry produce.** Trim, peel, and cut **carrots** on a diagonal into ¼-inch-thick pieces. Dice **potatoes** into ½-inch pieces. Peel and finely chop **garlic**. Finely chop **parsley**. Toss carrots on one side of baking sheet with **honey**, a **drizzle of oil**, **salt**, and **pepper**. Toss potatoes on opposite side of sheet with a **drizzle of oil**, **salt**, and **pepper**. Roast on middle rack until browned and tender, 20–25 minutes.

2.

While veggies roast, place **½ cup flour** (**1 cup for 4 servings**) in a shallow dish. In a separate shallow dish, crack **one egg** (**two eggs for 4**); whisk in **2 TBSP water** (**4 TBSP for 4**). Season both dishes generously with **salt** and **pepper**.

3.

Pat **chicken** dry with paper towels. Place between two large pieces of plastic wrap; pound with a mallet or heavy-bottomed pan until about ½ inch thick. (**Skip if your chicken is already ½ inch thick.**) Season all over with **salt** and **pepper**. Working one piece at a time, press chicken into **flour** until fully coated. Shake off excess, then dip into **beaten egg**. Let excess egg drip off, then press into **flour** again until fully coated. (**For less mess, use tongs to dip and transfer! Discard any excess flour and egg after coating.**)

4.

Heat a **⅓-inch layer of oil** in a large, heavy-bottomed pan over medium-high heat. Once oil is hot enough that a **pinch of flour** sizzles when added to the pan, add **coated chicken**. Cook until golden brown and cooked through, 3–5 minutes per side. (**For 4 servings, you may need to cook chicken in batches. If chicken begins to brown too quickly, lower that heat!**) Transfer to a paper-towel-lined plate.

5.

While chicken cooks, heat a **drizzle of oil** in a second large pan over medium-high heat. Add **garlic**; cook until fragrant, 30 seconds. Add **stock concentrate**, **mustard**, **cream cheese**, **sour cream**, and **⅓ cup water** (**⅔ cup for 4 servings**). Cook, stirring, until thickened, 1–2 minutes. Remove pan from heat; stir in **1 TBSP butter** and **¼ tsp truffle seasoning** (**2 TBSP butter and ½ tsp truffle seasoning for 4**). Taste and season with **salt** and **pepper** if desired.

6.

Divide **chicken**, **carrots**, and **potatoes** between plates. Drizzle chicken with **truffle cream sauce** and garnish with **parsley**.

*Poultry is fully cooked when internal temperature reaches 165°.

*Wash hands and surfaces after handling raw eggs. Consuming raw or undercooked eggs may increase your risk of foodborne illness.
