MORE IS MORE

If you upgraded your meal to double your protein or veggies and/or ordered 6 servings, you may need to cook in batches or larger cooking vessels. Remember: Larger batches may = longer cook times, so follow the visual and temperature cues. (For 6-person meals, combine the 2- and 4-serving ingredient amounts as needed.) For CustomPlate nutritional information, please refer to EveryPlate.com.

1.

Wash and dry produce. Drain **pineapple**. Zest and quarter **lime**.

2.

Heat a large, preferably nonstick, pan over medium heat. Add **coconut** and $\frac{1}{2}$ **tsp sugar** (**1 tsp for 4 servings**); cook, stirring occasionally, until lightly browned, 1–2 minutes. Turn off heat; transfer to a small bowl. Wipe out pan.

3.

Rinse **shrimp** under cold water, then pat dry with paper towels. Heat a **drizzle of oil** in pan used for coconut over medium-high heat. Add shrimp and **pineapple**; season with **salt** and **pepper**. Cook, turning occasionally, until shrimp are opaque and cooked through and pineapple is slightly charred, 3–4 minutes. Turn off heat; stir in **chili sauce**, **juice from half the lime**, and a **pinch of lime zest**.

4.

Empty contents of **salad kit** into a large bowl. Toss with **dressing** and **half the toasted coconut** until well combined.

5.

Divide **salad** between bowls and top with **pineapple shrimp**. Garnish with **remaining toasted coconut** and serve with **remaining lime wedges** on the side.
