MORE IS MORE

If you upgraded your meal to double your protein or veggies and/or ordered 6 servings, you may need to cook in batches or larger cooking vessels. Remember: Larger batches may = longer cook times, so follow the visual and temperature cues. (For 6-person meals, combine the 2- and 4-serving ingredient amounts as needed.) For CustomPlate nutritional information, please refer to EveryPlate.com.

1.

Adjust rack to top position; preheat oven to 425 degrees. **Wash and dry produce.** Add **bacon** to a large dry pan in a single layer; cook over medium heat, turning occasionally, until crispy, 8–10 minutes. Turn off heat; transfer to a paper-towel-lined plate. Wash out pan. (Let the fat cool first, then carefully discard before washing.)

2.

While bacon cooks, cut **broccoli** into bite-size pieces. Toss broccoli on a baking sheet with a **drizzle of oil, salt, and pepper.** Roast on top rack until browned and tender, 15–20 minutes.

3.

While broccoli roasts, in a small pot, combine **polenta** and $\frac{1}{3}$ cup **water** ($\frac{2}{3}$ cup for 4 servings) over medium heat. Mash with a potato masher or fork until mostly smooth, 30–60 seconds. Whisk in **cream cheese, sour cream, stock concentrate,** and **1 TBSP butter** (2 TBSP for 4); simmer until thickened, 3–4 minutes. Taste and season with **salt and pepper** if desired. (If polenta seems too thick, stir in a splash of water.) Keep covered off heat until ready to serve.

4.

Pat **chicken** dry with paper towels; season all over with **half the paprika** (all for 4 servings), **salt,** and **pepper.** Heat a **drizzle of oil** in pan used for bacon over medium-high heat. Add chicken; cook until browned and cooked through, 5–6 minutes per side. In the last 1–2 minutes of cooking, evenly top chicken with **bacon** (breaking or chopping into smaller pieces if desired) and **cheese.** Cover pan until cheese melts.

5.

Divide **chicken, polenta,** and **broccoli** between plates.

*Pork is fully cooked when internal temperature reaches 145°.
*Poultry is fully cooked when internal temperature reaches 165°.
