Once the first side is golden, slide your spatula underneath the pizzadilla and secure the top with your hand. Then flip in one fell swoop to keep the filling inside where it belongs!

MORE IS MORE

If you upgraded your meal to double your protein or veggies and/or ordered 6 servings, you may need to cook in batches or larger cooking vessels. Remember: Larger batches may = longer cook times, so follow the visual and temperature cues. (For 6-person meals, combine the 2- and 4-serving ingredient amounts as needed.) For CustomPlate nutritional information, please refer to EveryPlate.com.

1.

Wash and dry produce. Grate **Parmesan** over a small bowl (skip this step if pre-shredded).

2.

In a medium bowl, combine **arugula**, **dressing**, and **Parmesan**.

3.

Place **tortillas** on a clean work surface. Using **half the marinara**, spread a thin layer of sauce on one half of each tortilla (reserve remaining sauce for serving). Top with **pepperoni**; sprinkle with **mozzarella**. Fold tortillas in half to create **pizzadillas**.

4.

Heat a **drizzle of oil** in a large pan over medium-high heat. Add **pizzadillas** (depending on the size of your pan, you may need to work in batches); cook until tortillas are golden brown and cheese melts, 2-4 minutes per side. (If tortillas begin to brown too quickly, lower that heat!)

5.

Cut **pizzadillas** into wedges. Divide pizzadillas and **salad** between plates. Drizzle pizzadillas with **hot honey** and top salad with **croutons**. Serve with **remaining marinara** on the side for dipping.
