Give it a rest! (The cooked chicken, that is.) When you let your chicken cutlets stand after cooking (as you will in Step 4), all of their juicy goodness distributes evenly into the meat. The reward? Extra-juicy chicken.

MORE IS MORE

If you upgraded your meal to double your protein or veggies and/or ordered 6 servings, you may need to cook in batches or larger cooking vessels. Remember: Larger batches may = longer cook times, so follow the visual and temperature cues. (For 6-person meals, combine the 2- and 4-serving ingredient amounts as needed.) For CustomPlate nutritional information, please refer to EveryPlate.com.

1.

Adjust rack to top position and preheat oven to 425 degrees. (If you have a toaster oven, you can skip the preheating!) Bring a large pot of **salted water** to a boil. Place **1 TBSP butter** (2 TBSP for 4 servings) in a small microwave-safe bowl; bring to room temperature. **Wash and dry produce.** Peel and finely chop **garlic**. Pick **parsley leaves** from stems; roughly chop leaves. Zest and quarter **lemon** (zest one lemon and quarter both for 4).

3.

Once water is boiling, add **pasta** to pot. Cook, stirring occasionally, until al dente, 9–11 minutes. Reserve **½ cup pasta cooking water**, then drain.

5.

Melt **2 TBSP butter** (4 TBSP for 4 servings) in same pan over medium-high heat. Add **remaining garlic**; cook, stirring occasionally, until fragrant, 30 seconds. Add **cream sauce base**, **cream cheese**, a **big pinch of salt**, and **pepper**. Cook, stirring, until combined, 2–3 minutes. Stir in **drained pasta** and **peas** and cook, stirring, until peas are warmed through and sauce has thickened slightly, 1–2 minutes more. If needed, stir in **reserved pasta cooking water** a splash at a time until pasta is coated in a creamy sauce. Stir in **half the parsley**, **half the bacon**, a **big squeeze of lemon juice**, and, if you've got some on hand, a **pinch of chili flakes** from your pantry if desired.

2.

Add **bacon** to a large dry pan in a single layer; heat over medium-high heat. Cook, turning occasionally, until crispy, 6–10 minutes. Turn off heat; transfer bacon to a paper-towel-lined plate. Once bacon is cool enough to handle, roughly chop. Wipe out pan. Meanwhile, add **half the garlic** to bowl with **softened butter** (if butter is not yet softened, microwave for 5–10 seconds). Season with **salt** and **pepper**; stir to combine. Halve **ciabatta**; spread cut sides with **garlic butter**. Place, cut sides up, on a baking sheet; set aside.

4.

Pat **chicken** dry with paper towels and season all over with **half the Fry Seasoning** (all for 4 servings), **salt**, and **pepper**. Heat a **drizzle of oil** in pan used for bacon over medium-high heat. Add chicken and cook until browned and cooked through, 5–6 minutes per side (reduce heat if chicken begins to brown too quickly). Turn off heat; transfer chicken to a cutting board to rest. Wipe out pan.

6.

Toast **garlic bread** on top rack until golden brown, 3–5 minutes (or simply use your toaster oven); halve on a diagonal. Slice **chicken** crosswise. Divide **pasta** between bowls; top with chicken and **remaining bacon**. Sprinkle with **remaining parsley** and **lemon zest** to taste. Grate as much **Parmesan** as you like over top (sprinkle if pre-shredded). Season with as many **chili flakes** from your pantry as you like. Serve with **garlic bread** and **remaining lemon wedges** on the side.
