MORE IS MORE

If you upgraded your meal to double your protein or veggies and/or ordered 6 servings, you may need to cook in batches or larger cooking vessels. Remember: Larger batches may = longer cook times, so follow the visual and temperature cues. (For 6-person meals, combine the 2- and 4-serving ingredient amounts as needed.) *For CustomPlate nutritional information, please refer to EveryPlate.com.*

1.

Wash and dry produce. Trim and thinly slice **scallions**, separating whites from greens. Peel and finely chop **garlic**. Heat a **drizzle of oil** in a small pot over medium-high heat. Add **scallion whites**; cook, stirring, until fragrant, 30 seconds. Stir in **rice**, **1 1/4 cups water** (**2 1/4 cups for 4 servings**), and a **pinch of salt**. Bring to a boil, then cover and reduce heat to low. Cook until tender, 15–20 minutes. Keep covered off heat until ready to serve.

2.

Meanwhile, place **1/2 cup flour** (**1 cup for 4 servings**) in a shallow dish. Crack **one egg** into a separate shallow dish; whisk in **2 TBSP water** (**two eggs and 4 TBSP water for 4**). Season both dishes generously with **salt** and **pepper**.

3.

Pat **chicken** dry with paper towels; place between two large pieces of plastic wrap. Pound with a mallet or rolling pin until chicken is about 1/3 inch thick. Working one piece at a time, press chicken into **seasoned flour** until fully coated. Gently shake off excess, then dip into **beaten egg** to coat. Let excess egg drip off, then press into seasoned flour again until fully coated. (**For less mess, use tongs to dip and transfer!**)

4.

Heat a **1/3-inch layer of oil** in a large pan over medium-high heat. Once oil is hot enough that a **pinch of flour** sizzles when added to pan, add **coated chicken**. Cook until chicken is golden brown and cooked through, 3–4 minutes per side. (**If chicken begins to brown too quickly, lower that heat!**) Transfer to a paper-towel-lined plate. Season with **salt** and **pepper**.

5.

Melt **1 TBSP butter** (**2 TBSP for 4 servings**) in a second small pot over medium heat. Add **garlic** and cook, stirring, until fragrant, 30 seconds. Whisk in **cream sauce base**, **gochujang**, **stock concentrate**, and **1/4 cup water** (**1/2 cup for 4 servings**). Bring to a simmer and cook, stirring occasionally, until sauce has slightly thickened, 2–3 minutes. Remove from heat.

6.

Slice **fried chicken** crosswise into strips. Fluff **rice** with a fork and divide between bowls, forming a mound in the center of the dish. Place chicken on top of rice. Pour **gochujang broth** around rice. Garnish with **sesame ginger crunch** and **scallion greens**.

*Poultry is fully cooked when internal temperature reaches 165°.

*Wash hands and surfaces after handling raw eggs. Consuming raw or undercooked eggs may increase your risk of foodborne illness.
