MORE IS MORE

If you upgraded your meal to double your protein or veggies and/or ordered 6 servings, you may need to cook in batches or larger cooking vessels. Remember: Larger batches may = longer cook times, so follow the visual and temperature cues. (For 6-person meals, combine the 2- and 4-serving ingredient amounts as needed.) *For CustomPlate nutritional information, please refer to EveryPlate.com.*

1.

Adjust rack to middle position (**top and middle positions for 4 servings**) and preheat oven to 425 degrees. **Wash and dry produce.** Dice **potatoes** into ½-inch pieces. Cut **broccoli** into bite-size pieces. Peel and finely chop **garlic**. Finely chop **parsley**.

2.

Toss **potatoes** on one side of a baking sheet with a **large drizzle of oil**, **half the paprika (you'll use the rest later)**, **salt**, and **pepper**. Toss **broccoli** on empty side of sheet with a **large drizzle of oil**, **stock concentrate**, **salt**, and **pepper**. Roast on middle rack until veggies are lightly browned and tender, 15–20 minutes. (**For 4 servings, spread potatoes and broccoli out across two baking sheets. Roast on top and middle racks, swapping positions halfway through.**)

3.

While veggies roast, pat **steak** dry with paper towels and season all over with **salt** and **pepper**. Heat a **drizzle of oil** in a large pan over medium-high heat. Add steak and cook to desired doneness, 3–5 minutes per side. Turn off heat; transfer to a cutting board to rest.

4.

In a small bowl, combine **garlic**, **parsley**, **oregano**, **vinegar**, **remaining paprika**, **3 TBSP olive oil (6 TBSP for 4 servings)**, **salt**, and **pepper**.

5.

Thinly slice **steak** against the grain. Divide steak, **potatoes**, and **broccoli** between plates in separate sections. Drizzle steak with **chimichurri**.

**Beef is fully cooked when internal temperature reaches 145°.*
