**MORE IS MORE**

If you upgraded your meal to double your protein or veggies and/or ordered 6 servings, you may need to cook in batches or larger cooking vessels. Remember: Larger batches may = longer cook times, so follow the visual and temperature cues. (For 6-person meals, combine the 2- and 4-serving ingredient amounts as needed.) For CustomPlate nutritional information, please refer to EveryPlate.com.

1.

Adjust rack to middle position (middle and bottom positions for 4 servings) and preheat oven to 425 degrees. Wash and dry produce. Cut broccoli into bite-size pieces. Trim and halve zucchini lengthwise; cut crosswise into 1/2-inch-thick half-moons. Peel and finely chop garlic. Trim and thinly slice scallions, separating whites from greens.

Trim and discard woody bottom ends from asparagus or trim green beans if necessary.

2.

Toss broccoli on one side of a baking sheet with a drizzle of oil, half the sesame seeds (you'll use the rest later), salt, and pepper. (For 4 servings, spread broccoli out across entire sheet.) Roast on middle rack for 5 minutes (you'll add more to the sheet then). Once broccoli has roasted 5 minutes, remove sheet from oven. Carefully toss zucchini on opposite side of sheet with a drizzle of oil, salt, and pepper. (For 4 servings, leave broccoli roasting; toss zucchini on a second baking sheet and roast on bottom rack.) Return sheet to middle rack and roast until veggies are browned and tender, 12-15 minutes more.

Swap in asparagus or green beans for zucchini.

3.

While veggies roast, pat chicken dry with paper towels and season all over with salt and pepper. Heat a drizzle of oil in a large pan over medium-high heat. Add chicken and cook until browned and cooked through, 5-6 minutes per side. Turn off heat; transfer to a plate. Wipe out pan.

4.

Heat a drizzle of oil in pan used for chicken over medium-high heat. Add garlic, scallion whites, and remaining sesame seeds; cook, stirring, until fragrant, 1 minute. (Add a pinch of chili flakes from your pantry here if you like things spicy!) Stir in 1/4 cup water, stock concentrate, dressing, 1 tsp sugar, and a pinch of salt (1/3 cup water and 2 tsp sugar for 4 servings). Cook, stirring, until thickened and glossy, 1-2 minutes. Remove from heat; stir in 1 TBSP butter (2 TBSP for 4) until melted. Taste and season with salt and pepper if desired. (If sauce seems too thick, stir in a splash of water.)

5.

Divide chicken, broccoli, and zucchini between plates in separate sections. Spoon sesame-garlic sauce over chicken and garnish with scallion greens.

\*Poultry is fully cooked when internal temperature reaches 165°.
