Want to add a little ... *je ne sais quoi* to this dish? Toast your sesame seeds in a small, dry pan over medium-high heat, stirring often, until golden, 2-3 minutes. This simple step brings out their natural oils (aka nuttiness) and also amps up their crunch factor.

**MORE IS MORE**

If you upgraded your meal to double your protein or veggies and/or ordered 6 servings, you may need to cook in batches or larger cooking vessels. Remember: Larger batches may = longer cook times, so follow the visual and temperature cues. (For 6-person meals, combine the 2- and 4-serving ingredient amounts as needed.) For CustomPlate nutritional information, please refer to EveryPlate.com.

1.

**Wash and dry produce.** Peel and finely chop or grate **ginger**. Cut **broccoli** into bite-size pieces. Halve, peel, and thinly slice **onion**. Halve, core, and thinly slice **bell pepper**. Peel and finely chop **garlic**. Open and drain **tofu**. Press out excess water with paper towels; cut into ½-inch cubes. In a small bowl, mix together **sweet soy glaze**, **soy sauce**, and ¼ cup **water** (½ cup for 4 servings).

Pat **chicken** or **steak** dry with paper towels, then cut into ½-inch pieces.

3.

Meanwhile, heat a **drizzle of oil** in a large pan over medium-high heat. Add **broccoli**, **onion**, and **bell pepper**; season with **salt** and **pepper**. Cook, stirring, until lightly browned and tender, 4-6 minutes. Add **garlic** and **remaining ginger**; cook, stirring, until fragrant, 30 seconds. Stir in **half the soy mixture**; cook, stirring, until sauce has reduced and veggies are coated, 2-3 minutes. Stir in **half the sesame seeds**. Turn off heat; transfer to a plate. Wash out pan.

5.

Heat a **large drizzle of oil** in pan used for veggies over medium-high heat. Add **tofu** in a single layer and season with **salt** and **pepper**. Cook, turning occasionally, until browned all over, 5-8 minutes. Pour **remaining soy mixture** over tofu and stir until sauce is thickened and glossy and tofu is coated, 1-2 minutes.

Swap in **chicken** or **steak** for tofu; cook, stirring occasionally, until chicken is browned and cooked through, 4-6 minutes, or steak is cooked to desired doneness, 3-5 minutes. Cook through rest of step as instructed.

\*Poultry is fully cooked when internal temperature reaches 165°.  
\*Beef is fully cooked when internal temperature reaches 145°.

2.

Melt 1 TBSP **butter** (2 TBSP for 4 servings) in a small pot over medium-high heat. Add **half the ginger**; cook, stirring, until fragrant, 30 seconds. Stir in **rice**, 1¼ cups **water** (2¼ cups for 4), and a **big pinch of salt**. Bring to a boil, then cover and reduce to a low simmer. Cook until rice is tender, 15-20 minutes. Keep covered off heat until ready to serve.

4.

Meanwhile, in a small bowl, combine 2 TBSP **mayonnaise** (4 TBSP for 4 servings) with as much **Sriracha** as you like. (Start with half the **Sriracha**, then taste and add more from there if you like things spicy!) Add **water** 1 tsp at a time until mixture reaches a drizzling consistency.

6.

Fluff **rice** with a fork and season with **salt**. Divide rice between bowls and top with **tofu** and **veggies** in separate sections. Drizzle with as much **Sriracha mayo** as you like. Sprinkle with **remaining sesame seeds**.
