MORE IS MORE

If you upgraded your meal to double your protein or veggies and/or ordered 6 servings, you may need to cook in batches or larger cooking vessels. Remember: Larger batches may = longer cook times, so follow the visual and temperature cues. (For 6-person meals, combine the 2- and 4-serving ingredient amounts as needed.) For CustomPlate nutritional information, please refer to EveryPlate.com.

1.

In a small pot, combine **rice**, **1 ¼ cups water** (**2 ¼ cups for 4 servings**), and a **pinch of salt**. Bring to a boil, then cover and reduce to a low simmer. Cook until rice is tender, 15–20 minutes. Keep covered off heat until ready to serve.

2.

While rice cooks, **wash and dry produce**. Halve, peel, and thinly slice **half the onion**; finely chop remaining onion until you have 2 TBSP (**4 TBSP for 4 servings**). Reserve **chopped onion** in a small bowl (**you'll use it in Step 5**). Halve, deseed, and thinly slice **green pepper** into strips. Dice **tomato** into ½-inch pieces. Zest and quarter **lime** (**for 4, zest one lime and quarter both**).

Open package of **chicken** and drain off any excess liquid or pat **steak** dry with paper towels. Heat a **drizzle of oil** in a large pan over medium-high heat. Add chicken or steak and season with **salt** and **pepper**. Cook, stirring occasionally, until chicken is browned and cooked through, 4–6 minutes, or steak is cooked to desired doneness, 3–5 minutes. Turn off heat; transfer to a large bowl. Wipe out pan.

3.

Heat a **drizzle of oil** in a large pan over medium-high heat. Add **sliced onion** and **green pepper**; season with **Southwest Spice Blend**, **salt**, and **pepper**. Cook, stirring occasionally, until browned and tender, 4–5 minutes. Turn off heat; transfer to a large bowl. Wipe out pan.

Use pan used for chicken or steak here. Once **veggies** are done, transfer to bowl with **chicken** or **steak**; toss to combine.

4.

Heat a **drizzle of oil** in same pan over medium-high heat. Add **beans and their liquid**, **Tex-Mex paste**, and **stock concentrate**; season with **salt** and **pepper**. Cook, stirring, until slightly thickened and beans are warmed through, 2–3 minutes. Remove from heat and stir in **1 TBSP butter** (**2 TBSP for 4 servings**).

5.

To bowl with **reserved chopped onion**, add **tomato** and a **squeeze of lime juice**; stir to combine. Season with **salt** and **pepper**. In a second small bowl, combine **guacamole** with **half the sour cream**. In a third small bowl, combine remaining sour cream and a **pinch of lime zest**; add **water** 1 tsp at a time until mixture reaches a drizzling consistency.

6.

Fluff **rice** with a fork; stir in **1 TBSP butter** (**2 TBSP for 4 servings**) and a **pinch of remaining lime zest**. Divide rice between bowls; top with **saucy beans**, **fajita veggies**, **pico de gallo**, and **creamy guac**. Drizzle with **zesty crema** and serve with **remaining lime wedges** on the side.

*Poultry is fully cooked when internal temperature reaches 165°.
*Beef is fully cooked when internal temperature reaches 145°.
