If you upgraded your meal to double your protein or veggies and/or ordered 6 servings, you may need to cook in batches or larger cooking vessels. Remember: Larger batches may = longer cook times, so follow the visual and temperature cues. (For 6-person meals, combine the 2- and 4-serving ingredient amounts as needed.) For CustomPlate nutritional information, please refer to EveryPlate.com.

1.

Wash and dry produce. Roughly chop **pistachios**. Trim and discard bottom 1 inch from **asparagus**. Peel and finely chop **garlic**. Roughly chop **parsley**. Zest and quarter **lemon**. Drain **chickpeas**.

➡ Open and drain **tofu**; press out excess water with paper towels. Halve crosswise, then stand tofu upright and halve vertically. Lay flat and cut into ¾-inch cubes. Season with **salt** and **pepper**.

3.

While couscous cooks, heat a large dry pan over medium heat. Add **pistachios** and cook, stirring occasionally, until lightly browned and toasted, 2–3 minutes. Turn off heat. Transfer pistachios to a small bowl; set aside.

5.

In a medium bowl, combine **garlic**, **parsley**, **lemon zest**, **cheese**, **honey**, half the **vinegar**, 3 TBSP olive oil, a squeeze of **lemon juice**, **salt**, and **pepper** (all the **vinegar**, 4 TBSP olive oil, and a big squeeze of **lemon** for 4 servings). Add **chickpeas** and **couscous**; toss until combined. Taste and season with **salt** and **pepper**.

➡ Open package of **chicken** and drain off any excess liquid; season with **salt** and **pepper**. Heat a large drizzle of oil in pan used for asparagus over medium-high heat. Add chicken or **tofu** in a single layer. Cook, undisturbed, until browned on bottom, 3–4 minutes. Continue to cook, stirring occasionally, until chicken is cooked through or tofu is browned, 3–4 minutes more.

2.

Melt 2 TBSP **butter** (4 TBSP for 4 servings) in a small pot over medium-high heat. Add **couscous**; cook, stirring, until toasted, 1–2 minutes. Stir in 1½ cups **water** (2½ cups for 4), **stock concentrate**, and a **big pinch of salt**. Bring to a boil, then reduce to a low simmer. Cook until couscous is tender, 8–10 minutes. Keep covered off heat until ready to use in Step 5.

4.

Heat a **drizzle of oil** in same pan over medium-high heat. Add **asparagus**; season with **salt** and **pepper**. Cook, turning occasionally, until browned and tender, 4–6 minutes.

➡ If using **tofu** or **chicken**, transfer **cooked asparagus** to a plate; turn off heat. Wipe out pan.

6.

Divide **chickpea couscous** between bowls. Top with **asparagus**. Garnish with **pistachios**. Serve with **remaining lemon wedges** on the side.

➡ Top **chickpea couscous** with **tofu** or **chicken** along with **asparagus**.
