To peel ginger, break out a spoon! Using the spoon's tip, apply pressure in a downward motion, carving away the skin. Unlike a vegetable peeler, the mighty spoon allows you to get into ginger's knobby nooks. The more you know!

MORE IS MORE

If you upgraded your meal to double your protein or veggies and/or ordered 6 servings, you may need to cook in batches or larger cooking vessels. Remember: Larger batches may = longer cook times, so follow the visual and temperature cues. (For 6-person meals, combine the 2- and 4-serving ingredient amounts as needed.) For CustomPlate nutritional information, please refer to EveryPlate.com.

1.

Wash and dry produce. In a small pot, combine **rice**, **1¼ cups water** (**2¼ cups for 4 servings**), and a **pinch of salt**. Bring to a boil, then cover and reduce to a low simmer. Cook until rice is tender, 15–20 minutes. Keep covered off heat until ready to use in Step 5.

3.

Heat a **drizzle of oil** in a large, preferably nonstick, pan over high heat. Add **pineapple** and cook, undisturbed, until lightly charred on one side. Continue cooking, stirring occasionally, until browned all over, 2–3 minutes more. Turn off heat; transfer to a plate. Wipe out pan.

5.

Heat a **drizzle of oil** in pan used for pork over medium-high heat. Fluff **rice** with a fork. Add rice in a single layer; cook, undisturbed, until a bottom crust forms, 2–3 minutes. Add **pork mixture** and **half the pineapple**; stir to combine. Season with **salt** and **pepper**. Spread **pork and rice** out in pan and press down into a single layer; cook, undisturbed, until rice is slightly crispy, 1–2 minutes more.

*Poultry is fully cooked when internal temperature reaches 165°.
*Beef is fully cooked when internal temperature reaches 145°.

2.

Meanwhile, drain **pineapple**, reserving juice in a small bowl; roughly chop pineapple. Trim, peel, and dice **carrot** into ¼-inch pieces. Peel and finely chop or grate **ginger**. Peel and finely chop **garlic**. Trim and thinly slice **scallions**, separating whites from greens. To bowl with **pineapple juice**, stir in **BBQ sauce**, **half the sesame oil**, **half the vinegar**, and **1 tsp sugar**. (**For 4 servings, use all the sesame oil, all the vinegar, and 2 tsp sugar.**) In a second small bowl, combine **2 TBSP mayonnaise** (**4 TBSP for 4**) with as much **Sriracha** as you like.

4.

Heat a **drizzle of oil** in pan used for pineapple over medium-high heat. Add **carrot** and **pork**; season with **salt** and **pepper**. Cook, breaking up meat into pieces, until pork is lightly browned and warmed through, 4–5 minutes. Add **ginger**, **garlic**, and **scallion whites**. Cook, stirring, until fragrant, 30–60 seconds. Stir in **pineapple-BBQ sauce mixture**; cook, stirring frequently, until sauce has thickened and everything is coated, 1–2 minutes more. Turn off heat; transfer **pork mixture** to a large bowl. Wash out pan.

Open package of **chicken** and drain off any excess liquid or pat **steak** dry with paper towels. Swap in chicken or steak for pork; cook, stirring occasionally, until chicken is browned and cooked through, 4–6 minutes, or steak is cooked to desired doneness, 3–5 minutes. Cook through the rest of this step as instructed.

6.

Divide **pork fried rice** between bowls. Garnish with **scallion greens** and **remaining pineapple**. Drizzle with **Sriracha mayo**.
