Cooking Oil

Give it a rest! (The cooked pork, that is.) When you let your pork chops stand after cooking (as you will in Step 3), all of their juicy goodness distributes evenly into the meat. The reward? Extra-juicy chops.

MORE IS MORE

If you upgraded your meal to double your protein or veggies and/or ordered 6 servings, you may need to cook in batches or larger cooking vessels. Remember: Larger batches may = longer cook times, so follow the visual and temperature cues. (For 6-person meals, combine the 2- and 4-serving ingredient amounts as needed.) For CustomPlate nutritional information, please refer to EveryPlate.com.

1.

Preheat oven to 450 degrees. **Wash and dry produce.** Dice **potatoes** into ½-inch pieces. Trim and slice **mushrooms** into ¼-inch-thick pieces (skip if your mushrooms are pre-sliced). Halve, peel, and thinly slice **half the onion** (whole onion for 4 servings). Trim **green beans** if necessary; halve crosswise (halve green beans in bundles to save on time!). Peel and finely chop **garlic**.

2.

Toss **potatoes** on a baking sheet with a **large drizzle of oil**, **1 tsp Tuscan Heat Spice** (2 tsp for 4 servings; you'll use more later), **salt**, and **pepper**. Roast until browned and crispy, 20–25 minutes.

3.

Meanwhile, pat **pork** dry with paper towels and season all over with **salt** and **pepper**. Heat a **drizzle of oil** in a large pan over medium-high heat. Add pork and cook until browned and cooked through, 4–5 minutes per side. Transfer to a cutting board to rest; tent with foil to keep warm.

↔ Swap in **chicken** for pork. Cook until browned and cooked through, 5–6 minutes per side.

4.

Heat a **drizzle of oil** in pan used for pork over medium-high heat. Add **mushrooms** and **green beans** and cook, stirring, until browned and tender, 5–7 minutes. Add **sliced onion**, **garlic**, **1 tsp Tuscan Heat Spice**, and another **drizzle of oil**. Cook, stirring, until softened, 1–2 minutes more.

5.

Stir **stock concentrate** and ¼ cup **water** (⅓ cup for 4 servings) into pan with **mushroom and green bean mixture**. Simmer until slightly thickened, 2–3 minutes. Remove pan from heat; stir in **sour cream**, **mustard**, and **1 TBSP butter** (2 TBSP for 4) until combined. Season generously with **pepper**. (If sauce is too thick, add water 1 TBSP at a time until pourable.)

6.

Divide **pork** and **potatoes** between plates. Spoon **saucy mushrooms and green beans** over pork.

*Pork is fully cooked when internal temperature reaches 145°.
*Poultry is fully cooked when internal temperature reaches 165°.
