MORE IS MORE

If you upgraded your meal to double your protein or veggies and/or ordered 6 servings, you may need to cook in batches or larger cooking vessels. Remember: Larger batches may = longer cook times, so follow the visual and temperature cues. (For 6-person meals, combine the 2- and 4-serving ingredient amounts as needed.) *For CustomPlate nutritional information, please refer to EveryPlate.com.*

1.

Wash and dry produce. Trim and thinly slice **scallions**, separating whites from greens. Trim, peel, and halve **carrots** lengthwise; thinly slice crosswise into half-moons. Dice **potatoes** into ½-inch pieces.

2.

Open package of **chicken** and drain off any excess liquid. Melt **2 TBSP butter** (**4 TBSP for 4 servings**) in a large pot over medium-high heat. Add chicken and **scallion whites**; season with **salt** and **pepper**. Cook, stirring occasionally, until beginning to brown, 3–5 minutes. Add **garlic powder** and **thyme**; cook, stirring, until fragrant, 30 seconds.

3.

Sprinkle **chicken mixture** with **1 TBSP flour** (**2 TBSP for 4 servings**); cook, stirring, until lightly browned, 1–2 minutes. Gradually stir in **1 cup milk** (**2 cups for 4**) until fully combined. Stir in **carrots**, **potatoes**, **stock concentrates**, and **1½ cups water** (**2½ cups for 4**). Season with **1 tsp salt** (**2 tsp for 4**) and **pepper**. Bring to a boil, then reduce heat to medium low (**soup should be simmering gently**). Cook, stirring occasionally, until potatoes are tender, chicken is cooked through, and soup has thickened, 12–15 minutes.

4.

Reduce heat to low. Stir in **peas** and **cream cheese** until smooth. Taste and season with **salt** and **pepper**. If needed, stir in **splashes of water** (**or milk for a richer flavor**) until soup reaches desired consistency.

5.

Divide **soup** between bowls and top with **scallion greens**.
