MORE IS MORE

If you upgraded your meal to double your protein or veggies and/or ordered 6 servings, you may need to cook in batches or larger cooking vessels. Remember: Larger batches may = longer cook times, so follow the visual and temperature cues. (For 6-person meals, combine the 2- and 4-serving ingredient amounts as needed.) For CustomPlate nutritional information, please refer to EveryPlate.com.

1.

Adjust rack to middle position (**top and middle positions for 8 servings**) and preheat oven to 425 degrees. Bring a large pot of **salted water** to a boil. **Wash and dry produce.** Generously coat a 9-by-13-inch baking dish with **nonstick cooking spray** (**2 baking dishes for 8**). Halve, peel, and finely dice **onion**; reserve 2 TBSP onion (**4 TBSP for 8**) in a medium bowl (**you'll use it in Step 6**). Core, deseed, and dice **green peppers** into ¼-inch pieces. Dice **tomatoes** into ¼-inch pieces. Pick **cilantro** leaves from stems and finely chop. Quarter **lime**.

3.

Once water is boiling, add **pasta** to pot. Cook, stirring occasionally, until al dente, 9-11 minutes. Drain and set aside.

5.

Remove pan with **sauce** from heat; stir in **drained pasta** and **chicken** until well combined. Taste and season with more **salt** and **pepper** if desired. Transfer **pasta mixture** to prepared baking dish; top with **chopped bacon** and **remaining Mexican cheese blend**. Bake on middle rack until cheese melts, 3-4 minutes. (**For 8 servings, divide between 2 prepared baking dishes and bake on top and middle racks, switching rack positions halfway through.**)

*Poultry is fully cooked when internal temperature reaches 165°.
*Pork is fully cooked when internal temperature reaches 145°.

2.

Pat **chicken** dry with paper towels; season all over with **Mexican Spice Blend**, **salt**, and **pepper**. Heat a **drizzle of oil** in a large pan over medium-high heat. Add chicken in a single layer; cook, stirring occasionally, until browned and cooked through, 4-6 minutes. Turn off heat; transfer to a second medium bowl. Wipe out pan. Add **bacon** to same pan in a single layer; heat over medium-high heat. Cook, turning occasionally, until crispy, 6-10 minutes. Turn off heat; transfer to a paper-towel-lined plate. Wipe out pan. Once bacon is cool enough to handle, roughly chop.

4.

Heat a **drizzle of oil** in pot used for pasta over medium-high heat. Add **green peppers** and **remaining onion**; season with **salt** and **pepper**. Cook, stirring, until lightly browned and tender, 4-5 minutes. Reduce heat to low; add **cream sauce base**, **cheddar**, **pepper jack**, **cornstarch**, half the **tomatoes**, half the **Mexican cheese blend**, 1½ cups milk, 2 tsp salt, and **pepper** (**3 cups milk and 4 tsp salt for 8 servings**). Bring to a simmer; cook, stirring, until sauce has thickened and cheese melts, 2-3 minutes.

6.

Meanwhile, to bowl with **reserved onion**, add **cilantro**, **remaining tomatoes**, a **squeeze of lime juice**, **salt**, and **pepper**; stir to combine. Once mac and cheese is finished baking, top with as much **pico de gallo** as you like. Divide **baked mac and cheese** between bowls or serve family style directly from baking dish with **remaining lime wedges** on the side.
