MORE IS MORE

If you upgraded your meal to double your protein or veggies and/or ordered 6 servings, you may need to cook in batches or larger cooking vessels. Remember: Larger batches may = longer cook times, so follow the visual and temperature cues. (For 6-person meals, combine the 2- and 4-serving ingredient amounts as needed.) For CustomPlate nutritional information, please refer to EveryPlate.com.

1.

Bring a large pot of **salted water** to a boil. **Wash and dry produce.** Halve, peel, and finely chop **shallot**. Trim and thinly slice **scallions**, separating whites from greens. Grate **cheese** (skip this step if pre-shredded). Zest and quarter **lemon**.

2.

Once water is boiling, add **pasta** to pot. Cook, stirring occasionally, until al dente, 9–11 minutes. Reserve $\frac{3}{4}$ cup **pasta cooking water** ($1\frac{1}{2}$ cups for 4 servings), then drain.

3.

While pasta cooks, pat **steak** dry with paper towels; season all over with **salt** and **pepper**. Heat a **drizzle of oil** in a large pan over medium–high heat. Add steak and cook to desired doneness, 3–5 minutes per side. Turn off heat; transfer to a cutting board to rest. Wipe out pan. Tent steak with foil to keep warm.

4.

Heat a **drizzle of oil** in pan used for steak over medium heat. Add **tomatoes**; season with **salt** and **pepper**. Cook, stirring occasionally, until blistered, 1 minute. Add **shallot** and **scallion whites**; cook, stirring, until fragrant and slightly softened, 2–3 minutes more. Reduce heat to medium low; stir in **cream sauce base**, **mustard**, **garlic powder**, **paprika**, and $\frac{1}{4}$ cup **reserved pasta cooking water** ($\frac{1}{2}$ cup for 4 servings). Cook, stirring, until combined and slightly thickened, 1–2 minutes more.

5.

Reduce heat to low; add **drained pasta**, **garlic herb butter**, and **half the cheese**. Toss, adding **splashes of reserved pasta cooking water** as needed, until pasta is coated in a creamy sauce. Stir in **lemon zest** and a **squeeze of lemon juice**. Taste and season with **salt** and **pepper**.

6.

Slice **steak** against the grain. Divide **pasta** between plates; top with steak, **remaining cheese**, and **scallion greens**. Serve with **remaining lemon wedges** on the side.

*Beef is fully cooked when internal temperature reaches 145°.
