MORE IS MORE

If you upgraded your meal to double your protein or veggies and/or ordered 6 servings, you may need to cook in batches or larger cooking vessels. Remember: Larger batches may = longer cook times, so follow the visual and temperature cues. (For 6-person meals, combine the 2- and 4-serving ingredient amounts as needed.) For CustomPlate nutritional information, please refer to EveryPlate.com.

1.

Wash and dry produce. Trim and thinly slice **scallions**, separating whites from greens. Dice **potatoes** into ½-inch pieces.

2.

Heat a **drizzle of oil** in a small pot over medium heat (**medium pot for 4 servings**). Add **scallion whites**; cook until fragrant, 30 seconds. Add **potatoes, cream sauce base, stock concentrate, veggie bouillon**, and **1 cup water (2 cups for 4)**. Bring to a boil, then reduce heat to medium low (**soup should be simmering gently**). Cook, stirring occasionally, until potatoes are tender and soup has slightly thickened, 12–15 minutes. Stir in **half the cheddar** until well combined. Remove from heat. Taste and season with **salt and pepper**.

3.

While soup cooks, in a small bowl, combine **garlic powder** and **2 TBSP mayonnaise (4 TBSP for 4 servings)**. Arrange **sourdough slices** on a clean work surface. Evenly spread each slice with **garlic mayo**, then top half the slices with **mozzarella**; place remaining slices on top to form **sandwiches**.

4.

Melt **2 TBSP butter (4 TBSP for 4 servings)** in a large pan over medium heat. Add **sandwiches** and cook until **bread** is golden and **cheese** melts, 2–3 minutes per side. (**Work in batches if necessary, adding more butter if needed; lower heat if sandwiches are browning too quickly.**)

5.

Halve **mozzarella melts** on a diagonal; divide between plates. Divide **chowder** between cups or bowls; sprinkle with **remaining cheddar** and **scallion greens** and serve alongside sandwiches for dipping.
