MORE IS MORE

If you upgraded your meal to double your protein or veggies and/or ordered 6 servings, you may need to cook in batches or larger cooking vessels. Remember: Larger batches may = longer cook times, so follow the visual and temperature cues. (For 6-person meals, combine the 2- and 4-serving ingredient amounts as needed.) *For CustomPlate nutritional information, please refer to EveryPlate.com.*

1.

Bring a large pot of **salted water** to a boil. **Wash and dry produce.** Roughly chop **peanuts**. Trim and thinly slice **scallions**, separating whites from greens. Quarter **lime**. In a small bowl, combine peanuts, scallion greens, a **drizzle of oil**, a **squeeze of lime juice**, and a **pinch of chili flakes**.

2.

Once water is boiling, add **noodles** to pot. Cook, stirring occasionally, until al dente, 5–7 minutes. Reserve **½ cup noodle cooking water** (**1 cup for 4 servings**), then drain and set aside.

3.

In a second small bowl, combine **soy sauce**, **stock concentrate**, **half the peanut butter**, **half the vinegar**, and **2 tsp brown sugar** until smooth (**all the peanut butter**, **all the vinegar**, and **4 tsp brown sugar for 4 servings**). Season with **salt** and **pepper**.

4.

Open package of **chicken** and drain off any excess liquid. Heat a **drizzle of oil** in a large pan over medium–high heat. Add chicken and **scallion whites**; season with **salt** and **pepper**. Cook, stirring occasionally, until browned and cooked through, 4–6 minutes.

5.

Add **sauce mixture** and **drained noodles** to pan with **chicken**; cook, tossing to combine, until heated through, 1–2 minutes. Remove from heat and stir in a **squeeze of lime juice** if desired. Add **splashes of reserved noodle cooking water** as needed to create a saucy consistency.

6.

Divide **noodles** between bowls and top with **peanut scallion crunch**. Serve with **remaining lime wedges** on the side.
