MORE IS MORE

If you upgraded your meal to double your protein or veggies and/or ordered 6 servings, you may need to cook in batches or larger cooking vessels. Remember: Larger batches may = longer cook times, so follow the visual and temperature cues. (For 6-person meals, combine the 2- and 4-serving ingredient amounts as needed.) *For CustomPlate nutritional information, please refer to EveryPlate.com.*

1.

Wash and dry produce. Heat a **drizzle of oil** in a medium pot over medium-high heat. Add **garlic powder**, **half the thyme**, and **half the rice** (**all the thyme and all the rice for 4 servings**). Cook, stirring, until rice is lightly toasted, 1 minute.

2.

To pot with rice, add **4 cups hot water** (**8 cups for 4 servings**), **stock concentrates**, **corn**, and **cream sauce base**. Whisk in **cheese powder**.

3.

Bring to a boil and cook, stirring occasionally, until **rice** is tender, 11-12 minutes. (**Be sure to keep the soup boiling to cook the rice!**)

4.

Meanwhile, add **bacon** to a large dry pan in a single layer; heat over medium-high heat. Cook, turning occasionally, until crispy, 6-10 minutes. Turn off heat; transfer bacon to a paper-towel-lined plate. Once cool enough to handle, roughly chop.

5.

Divide **soup** between bowls. Top with **cheese** and **bacon**.
