MORE IS MORE

If you upgraded your meal to double your protein or veggies and/or ordered 6 servings, you may need to cook in batches or larger cooking vessels. Remember: Larger batches may = longer cook times, so follow the visual and temperature cues. (For 6-person meals, combine the 2- and 4-serving ingredient amounts as needed.) For CustomPlate nutritional information, please refer to EveryPlate.com.

1.

Preheat oven to 450 degrees. Place **2 TBSP butter** (**4 TBSP for 4 servings**) in a small microwave-safe bowl; set aside to soften. **Wash and dry produce.** Dice **potatoes** into ½-inch pieces. Toss on one side of a baking sheet with a **large drizzle of oil, salt, and pepper.** (**For 4, spread potatoes out across entire sheet.**)

2.

Trim and halve **Brussels sprouts** lengthwise. Toss on opposite side of sheet from **potatoes** with a **drizzle of oil, salt, and pepper.** (**For 4 servings, add Brussels sprouts to a second sheet.**) Roast until veggies are lightly browned and tender, 18–20 minutes.

3.

While veggies roast, finely chop **parsley.** Peel and finely chop **garlic.** If **butter** has not yet softened, microwave for 5–10 seconds; stir in **mustard**, half the chopped parsley, and a pinch of garlic.

4.

Pat **steak** dry with paper towels and season all over with **salt and pepper.** Heat a **drizzle of oil** in a large pan over medium-high heat. Add steak and cook to desired doneness, 3–5 minutes per side. Turn off heat; transfer to a cutting board to rest.

5.

Once **Brussels sprouts** are tender, remove from baking sheet. Toss **potatoes**, then grate as much **Parmesan** on top as you like (**sprinkle if pre-shredded**). Return to oven until cheese is melted and lightly browned, 5–6 minutes.

6.

Thinly slice **steak** against the grain. Divide steak between plates along with **Brussels sprouts** and **cheesy potatoes**. Dollop steak with **herb butter**. Garnish with **remaining chopped parsley.**
