MORE IS MORE

If you upgraded your meal to double your protein or veggies and/or ordered 6 servings, you may need to cook in batches or larger cooking vessels. Remember: Larger batches may = longer cook times, so follow the visual and temperature cues. (For 6-person meals, combine the 2- and 4-serving ingredient amounts as needed.) For CustomPlate nutritional information, please refer to EveryPlate.com.

1.

Wash and dry produce. Trim and thinly slice **scallions**, separating whites from greens. Trim, peel, and dice **carrots**.

2.

Heat a **drizzle of oil** in a small pot over medium heat. Add **scallion whites** and cook, stirring, until fragrant, 30–60 seconds. Stir in **rice**, **1 ¼ cups water** (**2 ¼ cups for 4 servings**), and a **pinch of salt**. Bring to a boil, then cover and reduce heat to low. Cook until rice is tender, 15–18 minutes. Keep covered off heat until ready to serve.

3.

While rice cooks, heat a **drizzle of oil** in a medium pot over medium–high heat. Add **carrots** and cook, stirring occasionally, until beginning to soften, 5 minutes. Stir in **½ cup water** (**1 cup for 4 servings**), **curry paste**, and **stock concentrate**. Bring to a simmer, then cover and reduce heat to low. Cook until carrots are tender, 10–15 minutes. Turn off heat and keep covered until ready to serve.

4.

Place **¼ cup flour** (**½ cup for 4 servings**) in a shallow bowl; season with **salt** and **pepper**. Crack **one egg** (**two eggs for 4**) into a second shallow bowl; whisk in **2 TBSP water** (**4 TBSP for 4**). In a third shallow bowl, combine **panko**, **garlic powder**, **salt**, and **pepper**. Open package of **chicken** and drain off any excess liquid. Toss chicken in **seasoned flour mixture** until fully coated. Gently shake off excess, then dip into **beaten egg** to coat. Let excess egg drip off, then toss in **seasoned panko mixture** until fully coated. (**For less mess, use tongs to dip and transfer!**)

5.

Heat a **⅓-inch layer of oil** in a large pan over medium–high heat. Once oil is hot enough that a **pinch of panko** sizzles, add **coated chicken**. Cook, turning occasionally, until golden brown and cooked through, 4–6 minutes. (**Work in batches if necessary to avoid crowding in pan.**) Transfer to a paper-towel-lined plate.

6.

Fluff **rice** with a fork. Divide rice between bowls, forming a mound in the center of the dish. Place **popcorn chicken** over rice. Pour **curry with carrots** around rice. Garnish with **sesame ginger crunch** and **scallion greens**.

*Poultry is fully cooked when internal temperature reaches 165°.

*Wash hands and surfaces after handling raw eggs. Consuming raw or undercooked eggs may increase your risk of foodborne illness.
