CHEF'S TIP

Psst—want to know our trick for THE creamiest mashed potatoes? Always save a splash of potato cooking liquid before draining. Why? It's super-starchy, so adding a few splashes while mashing helps the potatoes get extra-smooth. Best spuds ever!

MORE is MORE

If you upgraded your meal to double your protein or veggies and/or ordered 6 servings, you may need to cook in batches or larger cooking vessels. Remember: Larger batches may = longer cook times, so follow the visual and temperature cues. (For 6-person meals, combine the 2- and 4-serving ingredient amounts as needed.) For CustomPlate nutritional information, please refer to EveryPlate.com.

1.

Adjust rack to top position and preheat oven to 425 degrees. **Wash and dry produce.** Dice **potatoes** into ½-inch pieces. Peel and finely chop **garlic**. Trim and thinly slice **scallions**, separating whites from greens. Trim **green beans** if necessary.

2.

Place **potatoes** in a medium pot with enough **salted water** to cover by 2 inches. Bring to a boil and cook until tender, 10–12 minutes. Reserve ½ cup **potato cooking liquid**, then drain and return potatoes to pot. Mash with **sour cream** and 1 TBSP **butter** (2 TBSP for 4 servings) until smooth and creamy, adding splashes of reserved potato cooking liquid as needed (we used ¼ cup; ½ cup for 4). Season with **plenty of salt and pepper**.

3.

While potatoes cook, toss **green beans** on a baking sheet with a **drizzle of oil, salt, and pepper**. Roast on top rack until browned and tender, 12–15 minutes.

4.

Meanwhile, pat **pork** dry with paper towels; season all over with **Fry Seasoning** (reserve a pinch for Step 5), **salt**, and **pepper**. Heat a **drizzle of oil** in a large pan over medium-high heat. Add pork and cook until browned and cooked through, 4–5 minutes per side. (If pork begins to brown too quickly, lower that heat!) Transfer to a plate.

5.

Heat a **drizzle of oil** in pan used for pork over medium-high heat. Add **garlic** and **scallion whites**; cook until fragrant, 30 seconds. Stir in ¼ cup **water** (⅓ cup for 4 servings), **stock concentrate**, and **reserved pinch of Fry Seasoning**. Cook until liquid has reduced, 2–3 minutes. Remove pan from heat. Season with **salt and pepper** to taste.

6.

Divide **pork, green beans, and mashed potatoes** between plates. Top pork with **sauce** and garnish with **scallion greens**.

*Pork is fully cooked when internal temperature reaches 145°.
